account of Irish history Redefining Irishness in a Coastal Maine City, 1770-1870 Kay Retzlaff, 2021-11-18 Redefining Irishness in a Coastal Maine City 1770 1870 Bridget s Belfast examines how Irish immigrants shaped and reshaped their identity in a rural New England community Forty percent of Irish immigrants to the United States settled in rural areas Achieving success beyond large urban centers required distinctive ways of performing Irishness Class status and gender were more significant than ethnicity Close reading of diaries newspapers local histories and public papers allows for nuanced understanding of immigrant lives amid stereotype and the nineteenth century evolution of a Scotch Irish identity **On the Other Side of Sorrow** James Hunter, 2014-07-03 An extraordinary intellectual voyage through Gaelic environmental awareness centuries ahead of its time and its value today The Herald Caring for the environment developing rural communities and ensuring the survival of minority cultures are all laudable objectives but they can conflict and nowhere more so than the Scottish Highlands As environmentalists strive to preserve the scenery and wildlife of the Highlands the people who belong there and who have their own claims on the landscape question this new threat to their culture which dates back thousands of years In this sensitive thought provoking book James Hunter probes deep into this culture to examine the dispute between Highlanders who developed a strong environmental awareness a thousand years before other Europeans and conservationists whose thinking owes much to the romantic ideals of the nineteenth century More than that he also suggests a new way of dealing with the problem advocating drastic land use changes and the repopulation of empty glens an approach that has worldwide implications A very thoughtful piece of advocacy The Scotsman The Course of Irish History Theodore William Moody, Francis X. Martin, 1984 *Encyclopedia of Historians and Historical Writing* Kelly Boyd, 2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies **The Treasury of History ... New Edition** Samuel MAUNDER, 1872 The Manchester Martyrs Joseph O'Neill, 2012-03-01 A thrilling account of the events surrounding the execution of three Fenians known as the Manchester Martyrs Their execution during a turbulent period of Irish history in 1867 united the Irish people in a patriotic fervour and outrage not matched until 1916 The events surrounding the dramatic rescue of Fenian leaders resulting in the Martyrs execution attracted worldwide attention and sparked anti British protests across the globe Their trial is one of the most infamous British court cases of the nineteenth century and their hanging was Britain s last public multiple execution In 2006 Bertie Ahern announced that the

Irish government would grant the Martyrs a full state funeral and re inter them in a grave at Glasnevin Cemetery The plan foundered because their remains could not be located at that time This book reveals the location of the remains and explains why they will never be returned to Ireland *History, Heroism and Home* Terence Kearey, 2012-02-20 In 1816 the author's great great grandfather Thomas Kearey arrived in England to seek his fortune He was the latest but by no means the last in a line of strong and resourceful men This book is the story of the Keareys and of their place in history through the centuries It relates how the Ciardha Ciar's people in the Ireland of the Dark Ages evolved into the modern Keareys how holders of that name laboured loved and fought through the centuries and how in more recent times they were proud to fight with honour for their adopted country of Britain in two world wars Terence Kearey has woven the carefully researched story of what happened to his family over the centuries into the economic and social history of these islands explaining how his ancestors coped with and in some cases helped to change the vicissitudes of poverty war and economic and social change The result is a detailed and vivid picture of a past that is quickly fading from memory **Anti-Terrorism Law and Normalising**

Northern Ireland Jessie Blackbourn, 2014-08-07 The Northern Ireland peace process has been heralded by those involved as a successful example of transformation from a violent conflict to a peaceful society This book examines the implementation of the Belfast Agreement in Northern Ireland and evaluates whether its goal to establish a normal peaceful society has been fully realised Using the political and legal status of England Scotland and Wales as a comparison Jessie Blackbourn evaluates eight aspects of Northern Ireland which the Agreement aimed to normalise the contested constitutional status of Northern Ireland the devolution of power decommissioning the removal of emergency laws demilitarisation police reform criminal justice reform and paramilitary prisoners The book highlights the historical context which gave rise to the need for a programme of normalisation within the Belfast Agreement with respect to these areas and assesses the extent to which that programme of normalisation has been successfully implemented By evaluating the implementation of the Belfast Agreement the book demonstrates the difficulties that transitional or post conflict states face in attempting to wind back extraordinary counter terrorism policies after periods of violence have been brought to an end The book will be of great use to students and researchers concerned with the emergence evolution and repeal of anti terrorism laws and anyone interested in the history of the conflict and peace process in Northern Ireland *Ireland's 1916 Rising* Mark McCarthy, 2016-05-06 In light of its upcoming centenary in 2016 the time seems ripe to ask why how and in what ways has memory of Ireland's 1916 Rising persisted over the decades In pursuing answers to these questions which are not only of historical concern but of contemporary political and cultural importance this book breaks new ground by offering a wide ranging exploration of the making and remembrance of the story of 1916 in modern times It draws together the interlocking dimensions of history making commemoration and heritage to reveal the Rising's undeniable influence upon modern Ireland's evolution both instantaneous and long term In addition to furnishing a history of the tumultuous events of Easter 1916 which rattled the

British Empire's foundations and enthused independence movements elsewhere Ireland's 1916 Rising mainly concentrates on illuminating the evolving relationship between the Irish past and present. In doing so it unearths the far-reaching political impacts and deep-seated cultural legacies of the actions taken by the rebels as evidenced by the most pivotal episodes in the Rising's commemoration and the myriad varieties of heritage associated with its memory. This volume also presents a wider perspective on the ways in which conceptualisations of heritage culture and identity in Westernised societies are shaped by continuities and changes in politics, society and economy. In a topical conclusion the book examines the legacy of Queen Elizabeth II's visit to the Garden of Remembrance in 2011 and looks to the Rising's 100th anniversary by identifying the common ground that can be found in pluralist and reconciliatory approaches to remembrance. **Nano Nagle** Deirdre Raftery, *Catriona Delaney*, 2018-10-22

The first biographical study of Nano Nagle, the foundress of the Presentation order of nuns, that positions her within Irish social history and assesses her vast international legacy. Nano Nagle: The Life and the Education Legacy draws on archival materials from three continents, providing a compelling account of how one woman's extraordinary life challenged social constraints and championed social justice and equality. Leading education historian Deirdre Raftery has produced not only a vital new biographical study of an exceptional Irish woman but also a study of how thousands of Irish women joined the Presentation order of nuns and taught in their schools all over the world. Within that is the story of the Irish female diaspora in Newfoundland, India, North America, England, Australia, Africa and the Philippines. Nano Nagle: The Life and the Education Legacy throws open a new window on an unknown aspect of Irish social history while also demonstrating Ireland's significant contribution to the global history of female education. Ireland's Mysterious Lands and Sunken Cities Jon Douglas Singer, 2001-04-13 The Emerald Isle of Ireland has inspired a vast number of legends about lost or sunken lands and cities. These legends predate Roman and Christian influences. This book examines the intriguing nature of these legends and reviews anthropological and geological evidence supporting them. Was there indeed a *Tír na nÓg*, the Land Under the Wave, a combination of the dead and a paradise? Reviewed in *Ireland of the Welcomes* Vol 50 No 6 November/December 2001 p 54 by Mary O'Sullivan. Stories of sunken cities, monasteries, churches and royal palaces are scattered hither and yon across the broad landscape of Irish folklore. The fishermen of Lough Neagh believe that their huge lake conceals the proud remains of palaces and temples more firmly than the inhabitants of Scotland accept the existence of the Lough Ness monster. Hy Brazil or Hy Breasail, the legendary sunken paradise island, is of course somewhere off the western seaboard and thanks to its frequent reappearances on the surface it persists on maps into the sixteenth century. The great Thomas Westropp reports personal sightings one evening after sunset in 1887 off the Clare coast and again in 1910 this time on the Mayo coast. There are persistent stories of the image of a stately city clearly visible set in the sky above Galway Bay, usually during spells of warm, calm, sunny weather. Come over next summer with an open mind. You never know your luck. **The Princeton History of Modern Ireland** Richard Bourke, Ian
