LEGAL ANECDOTES

Michael Gilbert

The 350 anecdotes in this book, drawn from the reminiscences of lawyers and judges, criminals and witnesses, record some of the triumphs of the legal profession, as well as its occasional quirks and follies. Among the many pleasures which the anthology offers are accounts of celebrated legal battles and artful cross-examinations, and tales of obstinate juries, uncooperative witnesses, and over-bearing judges. Ranging from Edward Carson cross-examining Oscar Wilde to Clarence Darrow defending J. T. Scopes for teaching the theory of evolution, this selection goes a long way to explaining our enduring fascination with the workings of the law.

There is no greater drama than that daily performed in law courts. It has suspense . . . cathartic tragedy and rich comedy and there is the farce of litigants, lawyers and judges chasing each other through a maze of connecting rooms, trying to avoid the banana skins liberally placed under them.'
