

Guidance

School inspection handbook

Updated 16 September 2024

Applies to England

This guidance came into force on 16 September 2024.

The Ofsted Handbook Guidance On The Inspection Of Nursery And Primary Schools

Mr Phil Gadsby, Phil Gadsby

The Ofsted Handbook Guidance On The Inspection Of Nursery And Primary Schools:

Guidance on the Inspection of Nursery & Primary Schools, 1995-01 This edition of the OFSTED Handbook provides Her Majesty's Chief Inspector's guidance on the inspection of nursery and primary schools in England Written in the light of evaluation and wide consultation it sets out the fundamentals of good inspection practice and the standards by which the work and achievements of schools are to be judged The handbook aims to promote better reports through inspections which are more manageable by inspectors and less of a burden for schools It incorporates the inspection framework the code of practice for inspectors guidance on how inspections should be conducted and on the application of the inspection schedule Schools should continue to find that the handbook provides a useful and accessible basis for self review It is available in three versions covering nursery and primary secondary and special schools *Education for Spiritual, Moral, Social and Cultural Development* Ron Best, 2000-06-01 Drawing on successful practice and relating such practice to theoretical insights this comprehensive treatment of the challenge of educating children spiritually morally socially and culturally offers enlightenment for individual teachers classroom practice as well as for whole school approaches *Improving Schools and Inspection* Neil Ferguson, Peter Earley, Brian Fidler, Janet Ouston, 2000-04-10 This is an important book not least because OFSTED may well have changed English schools more substantially than any previous curriculum development or assessment development programme Mentoring Tutoring This book looks at the relationship between school inspection and school improvement The authors show how heads have used inspectors reports to put in place real school improvement They deal with the contexts of inspection and comparisons are made with the Australian experience of school self review The book focuses on how schools have developed a culture of self inspection The authors consider the system of OfSTED inspections and ask how beneficial inspection has been in encouraging schools to develop and improve They suggest there is need for a change and that there are alternative approaches to school assessment and improvement which could be more effective They argue that the school's own evaluation processes should play a greater part in the arrangements for inspection Improving Schools and Inspection will be essential reading for headteachers and other professionals engaged in dealing with inspections *The Primary Coordinator and OFSTED Re-Inspection* Mr Phil Gadsby, Phil Gadsby, 2014-04-08 This volume is dedicated to dealing with OFSTED creating whole school policy and the demands of coordinating several subjects within a small school **Key Issues for Primary Schools** Michael Farrell, 2003-09-02 Key Issues for Primary Schools is a concise comprehensive guide to the main issues in primary education and the implications for schools Presented in a convenient A Z format the book includes coverage of special educational needs attendance truancy and exclusion bullying and behavioural problems management and administration safety and security There is also a review of up to date DfEE requirements and suggestions for further action and reading The addresses of useful contacts help to make it a reference book no primary school should be without **Politics, Education and Citizenship** Mal Leicester, Sohan Modgil, 2005-08-10 Volume VI is

concerned with political education and citizenship Papers from several countries lend an international perspective to currently significant concerns and developments including democracy and democratic education human rights national identity and education for citizenship **Educational Assessment on Trial** Andrew Davis, Christopher Winch, 2015-02-26

What purpose does educational assessment serve Are the same instruments suitable for different purposes How much trust can we place upon the outcomes of educational assessment The subject of educational assessment is much discussed and much misunderstood Policymakers assert its importance to quality in education and its essential role in ensuring accountability for public education and the results of educational assessment are thought to be of such vital interest to society that they are often made public knowledge This approachable text explores the philosophical issues underlying these debates and how they impact on public educational policy Two leading educators well known for their work on educational assessment offer different perspectives on the value of exams and tests for a flourishing system of education while the editor Gerard Lum comments on the strengths and weaknesses of the arguments **Meeting Special Needs in the Early Years**

Sheila Wolfendale, 2013-11-12 The chapters in this work describe and explore contemporary assessment and intervention work with young children with Down s Syndrome and with hearing vision physical and language special needs the ways in which policies are being translated into practice and inter agency co operation **Learning to Teach in the Primary School** James Arthur, Teresa Cremin, 2006-09-27 This comprehensive new textbook provides valuable support to student teachers on primary ITT BEd and PGCE courses It provides a sound and practical introduction to the teaching skills as well as the underlying theory Written by experts in primary school teaching the book is divided into twenty three sections and covers becoming a teacher exploring the nature of learning planning for learning approaches to the curriculum recent developments in primary education diversity and inclusion assessment partnership in practice your professional development Each chapter contains a brief introduction to the key concepts issues and skills and provides learning activities in the form of tasks Annotated lists of further reading are included for students who want to explore topics in more detail This major textbook is essential reading for all students training to be primary school teachers including those on BA QTS BEd and PGCE courses as well as those on flexible PGCE courses those on Graduate Registered Training courses and those studying Education Studies [A Guide to Teaching Practice](#) Louis Cohen, Lawrence Manion, Keith Morrison, Dominic Wyse, 2010-06-17

[A Guide to Teaching Practice](#) has long been a major standard text for all students of initial teacher training courses This new edition has been thoroughly revised and updated to take account of the many changes that have taken place both within
