**Make You Laugh** Noel Jones, 2011-07-28 Everyone can relate to walking through very dark periods in life which seem will never end Noel Jones is not speaking from a vantage point of one who has never suffered so his words of encouragement and promise carry weight and hope Sorrow and adversity come but they do not stay This book conveys the message that suffering and endurance are preparations for the reward that will come to the one who holds on to and trusts in the faithfulness of God That one will experience the laughter of triumph Joy comes in the morning to those who endure      **The Little Gods Laugh**

Louise Maunsell Field, 1917      **Laughing Gods, Weeping Virgins** Ingvild Saelid Gilhus, 2013-01-11 Laughing Gods Weeping Virgins analyses how laughter has been used as a symbol in myths rituals and festivals of Western religions and has thus been inscribed in religious discourse The Mesopotamian Anu the Israelite Jahweh the Greek Dionysos the Gnostic Christ and the late modern Jesus were all laughing gods Through their laughter gods prove both their superiority and their proximity to humans In this comprehensive study Professor Gilhus examines the relationship between corporeal human laughter and spiritual divine laughter from classical antiquity to the Christian West and the modern era She combines the study of the history of religion with social scientific approaches to provide an original and pertinent exploration of a universal human phenomenon and its significance for the development of religions      **Laughter At The Foot Of The Cross** M.a.

Screech, 2019-04-09 Christian laughter is a maze you could easily get snarled up within it So says Michael A Screech in his note to readers preceding this collection of fifty three elegant and pithy essays As Screech reveals the question of whether laughter is acceptable to the god of the Old and New Testaments is a dangerous one But we are fortunate in our gu

**Nietzsche's Epic of the Soul** T. K. Seung, 2005-06-14 Thus Spoke Zarathustra is Nietzsche's most problematic text There appears to be no thematic connection between its four Parts and numerous sections To make it even worse the book contains a number of thematic contradictions The standard approach has been a method of selective reading that is most critics select a few brilliant passages for edification and ignore the rest This approach has turned Nietzsche's text into a collection of disjointed fragments Going against this prevalent approach T K Seung presents the first unified reading of the

whole book He reads it as the record of Zarathustra's epic journey to find spiritual values in the secular world The alleged thematic contradictions of the text are shown to indicate the turns and twists that are dictated by the hero's epic battle against his formidable opponent His heroic struggle is eventually resolved by the power of a pantheistic nature religion Thus Nietzsche's ostensibly atheistic work turns out to be a highly religious text The author uncovers this epic plot by reading Nietzsche's text as a baffling series of riddles and puzzles Hence his reading is not only edifying but also breathtaking In this unprecedented enterprise the author takes a complex interdisciplinary approach engaging the five disciplines of philosophy psychology religious studies literary analysis and cultural history

**Rediscovering Frank Yerby** Matthew Teutsch, 2020-04-20 Contributions by Catherine L Adams Stephanie Brown Gene Andrew Jarrett John Wharton Lowe Guirdeux Mass Anderson Rouse Matthew Teutsch Donna Lyn Washington and Veronica T Watson Rediscovering Frank Yerby Critical Essays is the first book length study of Yerby's life and work The collection explores a myriad of topics including his connections to the Harlem and Chicago Renaissances readership and reception representations of masculinity and patriotism film adaptations and engagement with race identity and religion The contributors to this collection work to rectify the misunderstandings of Yerby's work that have relegated him to the sidelines and ultimately begin a reexamination of the importance of the prince of pulpsters in American literature It was Robert Bone in *The Negro Novel in America* who infamously dismissed Frank Yerby 1916-1991 as the prince of pulpsters Like Bone many literary critics at the time criticized Yerby's lack of focus on race and the stereotypical treatment of African American characters in his books This negative labeling continued to stick to Yerby even as he gained critical success first with *The Foxes of Harrow* the first novel by an African American to sell more than a million copies and later as he began to publish more political works like *Speak Now* and *The Dahomean* However the literary community cannot continue to ignore Frank Yerby and his impact on American literature More than a fiction writer Yerby should be put in conversation with such contemporaneous writers as Richard Wright Dorothy West James Baldwin William Faulkner Margaret Mitchell and more
