The Osterman Weekend Audio Cassette By Ludlum Robert:

The Osterman Weekend Robert Ludlum, 2015-06-30 In Zurich in Moscow in Washington D C the machinery has already been set in motion In a quiet suburb an odd assortment of men and women gather for a momentous weekend At stake is nothing less than the very existence of the United States of America and with it the future of the entire free world Praise for Robert Ludlum and *The Osterman Weekend* Shattering *The Osterman Weekend* will cost you the night and the cold hours of the morning *The Cincinnati Enquirer* Ludlum stuffs more surprises into his novels than any other six pack of thriller writers combined *The New York Times* Powerhouse momentum as shrill as the siren on the prowling car *Kirkus Reviews* A complex scenario of inventive double crossing *Chicago Sun Times* **Words on Cassette, 2002** R R Bowker Publishing, 2002

Books Out Loud ,2007 **On Cassette** ,1990 *The Crimson Flake* R. L. Knight, 2004-03 *The Crimson Flake* is a tale of two tales diverse and well separated by time and locale Each is an emotional human struggle and the two are on a collision course The first tale concerns a rather large and often irreverent man who silently craves danger and shares his life with a cat called Sam They both love the same woman but while the cat openly demonstrates his emotions toward her the man struggles with feelings of love and commitment feelings he knows deep down to be absolute truths In addition he wrestles with a nagging internal death wish and a disturbing intuitive ability an ability he loathes but one that's kept him alive The second involves a struggle we've known since the beginning when Eve encountered the serpent There are evil things They're where you would expect them but they're also where you wouldn't You don't see the man in the crowd whose eyes are fixed on you who follows you who snatches you from your life and your life from you unnoticed little slices of time This is the story of such an encounter of how evil can spring from the most benign and tranquil environment of one person's courage and willpower to battle such madness a battle that ultimately defines her life It's the story of two reclusive brothers who live deep in an otherwise hushed and beautiful forest but who because of an emotionally tortured mother and her twisted influence have littered the peaceful woodland with the remains of nine vibrant young women all in the name of God But not all of the remains were scattered No The prettiest parts were saved They're in the barn One brother is inherently evil born evil and is descending deeper into the abyss He is beyond redemption and only death can stop him The other is struggling with thoughts he didn't know he could have before she came He's being pulled in one direction by a despicable but settled way of life and in the other by her She is Willie a skinny nineteen year old inner city kid who is there quite by accident and fighting for two lives Over time bizarre circumstances cause the paths of the big man and the girl to converge The two become allies and make for perhaps the strangest heroic duo imaginable They stumble and falter along the way but the union is a formidable one They recover more powerful in a final assault and the evil is left lying as dust beside the road **Quill & Quire** ,1990
