The Old Testament For Modern Readers:

The Old Testament for Modern Readers D. B. J. Campbell, 1972 *Old Testament Today, 2nd Edition* John H. Walton, Andrew E. Hill, 2014-02-11 This proven Old Testament text with a wealth of full color images helps readers connect the world of Old Testament with today's world. This text is unique among Old Testament surveys. It not only provides an orientation to the world of the Old Testament but also builds a bridge between the original audience and modern readers, demonstrating why the ancient message is important for faith and life today. It goes beyond basic content to help students understand what the Scriptures mean and how to apply them personally. Taking readers progressively through the Old Testament, this text presents the details of the content, focusing on the story line, historical background, and literary information that address the original setting and audience. Focuses on theology, perspectives, and on issues of the author's purpose and the universal message of the text, building a bridge between the original audience and today's audience. Develops an understanding of the relevance of the Old Testament writings to today's Christian, showing how they can be applied in personal faith and practice. The image-rich, full color design gives *Old Testament Today* a strong visual appeal. A wide array of charts, sidebars, illustrations, photos, and supplemental materials complement the body of the text, helping students to easily comprehend the literature, theology, and history of the Old Testament. This newly revised edition is organized by book, includes a new structure that more clearly describes the content, and introduces each book.

The Modern Reader's Bible Richard Green Moulton, 1907 *An Introduction to the Old Testament* Harlan Creelman, 1917 This introduction discusses and classifies the Old Testament literature from the standpoint of history and chronology, i.e., the different books or sections or chapters or verses as the case may be, are taken up in chronological sequence as they relate to definite periods of Hebrew history, either as the Old Testament furnishes the history of those periods or as its literature had its origin in them.

Preface

THE OLD TESTAMENT Edward D. Andrews, 2023-07-01 **THE OLD TESTAMENT Commentary** Background Bible Difficulties Genesis Exodus Leviticus Numbers Deuteronomy Joshua Judges **VOLUME I** is an extensive guide that ventures deep into the study of the Old Testament, providing comprehensive commentary, historical and cultural background, and exploration of Bible difficulties for the books of Genesis through Judges. This book begins with a detailed examination of the foundations of the Old Testament, covering a range of topics such as the Inspiration of the Old Testament, archaeology's role in unveiling Biblical history, the significance of chronology, the textual criticism of the Old Testament, and much more. It dissects the origin and evolution of Hebrew manuscripts, the history of Hebrew writing, and how these documents became the Canon of the Old Testament. The book also presents an in-depth study of the Documentary Hypothesis theory and provides a thorough exploration of God's name, debunking common misconceptions. Following the Old Testament studies, the book embarks on a thorough analysis of the first seven books of the Old Testament: Genesis, Exodus, Leviticus, Numbers, Deuteronomy, Joshua, and Judges. Each book review commences with the identification of the author, place, and time.

of writing followed by highlights of the book A comprehensive commentary for each book is provided that carefully unpacks the text and context In addition each review provides an extensive analysis of the historical and cultural background and sheds light on the Bible difficulties associated with each book assisting the reader in resolving and understanding these perceived contradictions Finally the value of each book is discussed drawing out the underlying principles for contemporary application Designed for theologians scholars students of the Bible and anyone with a keen interest in understanding the Old Testament this guide is a vital resource It is not merely a commentary but a tool for study reflection and deepening faith

Engaging the Old Testament Dominick S. Hernández,2023-04-18 This introductory textbook invites students into the depths and riches of the Old Testament and shows the Old Testament s relevance for Christian readers Rising Latino evangelical Old Testament scholar Dominick Hernández demonstrates how to read Old Testament texts well and put the ancient written word into practice in our day and age Hernández shows that four core commitments put readers on the right trajectory for reading and applying the Old Testament to their lives 1 reading humbly 2 reading successively 3 reading entirely and 4 reading deliberately Students will learn how to become better readers of the text and how to read select Old Testament passages well paying attention to how the biblical authors used rhetorical techniques to provoke readers to action

Reading the Old Testament John Barton,1984-01-01 John Barton s revised classic text is intended for students who have already learned some of the techniques of biblical study and who wish to explore the implications and aims of the various critical methods currently in use Chapters include form criticism redaction criticism canonical criticism structuralism reader response criticism and postmodern approaches Copyright Libri GmbH All rights reserved [Ugarit and the Old Testament](#) Peter C. Craigie,2019-04-08 In 1929 a remarkable discovery was made by archaeologists at Ras Shamra in Syria beneath the soils of a small hill they discovered the remains and libraries of the ancient city of Ugarit which had been destroyed by barbarian invaders shortly after 1200BC This book tells the story of that discovery and describes the life and civilization of the ancient city of Ugarit In addition to updating the story with more recent archaeological finds this study recounts and assesses the extraordinary impact that the rediscovery has had on the last 50 years of the Old Testament studies Written in a non technical fashion Ugarit and the Old Testament should be of interest to all readers of the Bible particularly students and pastors concerned with the impact of contemporary archaeological discoveries on Old Testament studies
