Don't Slam the Screen Door! Janette

Navickas Dehner, 2021-09-21 *Don't Slam The Screen Door* is a bedtime storybook inspired from a time before kids were lost to technology I wanted to write about adventures from my own memorable childhood beyond my own back door The hope is to motivate boys and girls each night one chapter and one adventure at a time to explore their surroundings with their young minds and imaginations Equally important was to model a reminder to dads and moms that it does not take much to stimulate a child's creativeness A little schooling never hurt anyone is the philosophy behind the twin's names which were intentionally chosen Selected as a strategically play of words by creating a tongue twister of sorts to get kids to articulate and identify slight word differences while reading I chuckle to think of my own grandchildren correcting my pronunciation when I am reading to them Also with our own names being similar in sound and spelling it was a life experience my twin sister and I personally identified with Foremost I wanted this to be a Christian based book weaving the simplicity of knowing and having a relationship with the Lord Placing bible scripture at the end of each chapter in faith the verse becomes a tangible teaching tool pointing to Our Father's Word In hope of initiating inquisitive minds to simply open discussion of wanting to know of the scripture's source the Holy Bible *Don't Slam The Screen Door* was truly inspired out of love for Our Father family and my sisters Juleen Jeanette and Joette God Bless Janette Navickas Dehner

Shiovitz, 2023 How and why was outdated racial content and specifically blackface minstrelsy not only permitted but in fact allowed to thrive during the 1930s and 1940s despite the rigid motion picture censorship laws which were enforced during this time Introducing a new theory of covert minstrelsy this book illuminates Hollywood's practice of capitalizing on the Africanist aesthetic at the expense of Black lived experience Through close examination of the musicals made during this period this book shows how Hollywood utilized a series of covert guises or subterfuges complicated and further masked by a film's narrative framing and novel technology to distract both censors and audiences from seeing the ways in which they were being fed a nineteenth century White narrative of Blackness Drawing on the annals of Hollywood's most popular and its extremely rare films *Behind the Screen* uncovers a half century of blackface application by delicately removing the individual layers of disguise through close analyses of films which paint tap dance swing and other predominantly Africanist forms in a negative light This book goes beneath the image of recognizable White performers including Al Jolson Eddie Cantor Fred Astaire and Eleanor Powell exploring the high cost of their onscreen representational politics The book also recuperates the stories of several of the Black artists whose labor was abused during the choreographic and filming process Some of the many newly documented stories include those of *The Three Chocolateers* *The Three Eddies* *The Three Gobs* *The Peters Sisters* Jeni Le Gon and Cora La Redd In stripping away the various disguises involved during Hollywood's Golden Age *Behind the Screen* recovers the visibility of Black artists whose names Hollywood omitted from the credits and whose identities America has written out of the national narrative *Mind the Screen* Jaap Kooijman, Patricia Pisters, Wanda Strauven, 2008 *Mind the Screen* pays tribute to the work of the pioneering European film scholar Thomas Elsaesser author of several volumes on media studies and cinema culture Covering a full scope of issues arising from the author's work from melodrama and mediated memory to avant garde practices media archaeology and the audiovisual archive this collection elaborates and expands on Elsaesser's original ideas along the topical lines of cinephilia the historical imaginary the contemporary European cinematic experience YouTube and images of terrorism and double occupancy among other topics Contributions from well known artists and scholars such as Mieke Bal and Warren Buckland explore a range of media concepts and provide a mirror for the multi faceted types of screens active in Elsaesser's work including the television set video installation the digital interface the mobile phone display and of course the hallowed silver screen of our contemporary film culture **Great Britons of Stage and Screen** Barbara Roisman Cooper, 2015-10-01 Although there are encyclopedias and biographical dictionaries of contemporary British film and theatre actors most lack the intimacy of face to face interviews Typically drawn from secondary sources collections of interviews often repeat tired anecdotes about an actor's film or stage roles with very little nuance or fresh insights *Great Britons of Stage and Screen* In Conversation features interviews with some of the leading actors of the last fifty years and more In this collection Barbara
