**A Sitter for a Satyr** Jerzy Andrzejewski, 1965      **The Columbia Guide to the Literatures of Eastern Europe Since 1945** Harold B. Segel, 2003 The Iron Curtain concealed from western eyes a vital group of national and regional writers Marked by not only geographical proximity but also by the shared experience of communism and its collapse the countries of Eastern Europe Poland Hungary Albania Romania Bulgaria and the former states of Yugoslavia Czechoslovakia and East Germany share literatures that reveal many common themes when examined together Compiled by a leading scholar the guide includes an overview of literary trends in historical context a listing of some 700 authors by country and an A to Z section of articles on the most influential writers      By Its Cover Ned Drew, Paul Sternberger, 2005-08-11 We all know we are not supposed to judge books by their covers but the truth is that we do just that nearly every time we walk into a bookstore or pull a book off a tightly packed shelf It is really not something we should be ashamed about for it reinforces something we sincerely believe design matters At its best book cover design is an art that transcends the publisher's commercial imperative to reflect both an author's ideas and contemporary cultural values in a vital intelligent and beautiful way In this groundbreaking and lavishly illustrated history authors Ned Drew and Paul Sternberger establish American book cover design as a tradition of sophisticated visual excellence that has put shape to our literary landscape By Its Cover traces the story of the American book cover from its inception as a means of utilitarian protection for the book to its current status as an elaborately produced form of communication art It is at once the intertwined story of American graphic design and American literature and features the work of such legendary figures as Rockwell Kent E McKnight Kauffer Paul Rand Alvin Lustig Rudy deHarak and Roy Kuhlman along with more recent and contemporary innovators including Push Pin Studios Chermayeff Geismar Karen Goldberg Chip Kidd and John Gall      **Southern Germany and Austria, Including Hungary and Transylvania** Karl Baedeker (Firm), 1883      **The Complete Works of Sir John Vanbrugh: Note as to the text.
