**The Secret Lives of Saints** Daphne Bramham,2009-04-03 The Secret Lives of Saints paints a troubling portrait of an extreme religious sect These zealous believers impose severe and often violent restrictions on women deprive children of education and opt instead to school them in the tenets of their faith defy the law and move freely and secretly over international borders They punish dissent with violence and even death No this sect is not the Taliban but North America s fundamentalist Mormons Daphne Bramham explores the history and ideas of this surprisingly resilient and insular society asking the questions that surround its continued existence and telling the stories of the men and women whose lives are so entwined with it both the leaders and the victims
