Skating Through Coleman

Donald Hodder

Skating Through Coleman:

Skating Through Coleman Dona Schell, 2005-01-01 Skating Through Coleman is the story of a young girl growing up during the Depression in a small Kansas town. Some of her undertakings include getting saved at tent revivals, participating in cussing contests, and practicing song and dance routines. She hangs out with elderly eccentrics as well as with her charming and not so charming relatives. She hopes World War II will last long enough for her to grow up and become a glamorous spy in a trench coat and beret. It is true that she starves her arch enemy's dog, but only because it is absolutely necessary. Growing older, she learns that Valentine's Day means love and that boys will not always be her enemies. Even so, it is the magical Quantrain Theater that truly steals her heart. Coleman, Kansas, may well have been the best place in the world to grow up.

Inside Edge: A Revealing Journey Into the Secret World of Figure Skating Christine Brennan, 2022-02-01 Figure skating is the most beautiful and mysterious of all sports. When the skaters are on the ice, every twitch of a muscle and every slip of a skate blade is visible for the world to see. In *Inside Edge*, Christine Brennan chronicles for the first time a season on the skating circuit, intimately portraying the lives on and off the ice of the sport's current and upcoming stars. Woven into the narrative are stories of figure skating luminaries including Peggy Fleming, Janet Lynn, Katarina Witt, Brian Boitano, Scott Hamilton, Kristi Yamaguchi, Nancy Kerrigan, Oksana Baiul, Michelle Kwan, Rudy Galindo, and Tara Lipinski. Revealing the backstage conflicts high-profile figure skaters face and the ambition that drives them, Brennan also tells the stories of their families, of improbable rises to the top, and of wasted talents. If skaters are perfect, they can become international heroes. But if they fall, if they miss a three-revolution jump on a quarter-inch blade of steel, the despair is theirs alone. This is their life on the edge, where decades of training culminate in little more than four crucial minutes on the ice. There is no other sport like it. There is no other story like theirs.

The art of skating, with revisions and additions by W.E. Cormack Robert Jones (capt.), 1855

The Encyclopedia of Indianapolis David J. Bodenhamer, Robert G. Barrows, 1994-11-22 A work of this magnitude and high quality will obviously be indispensable to anyone studying the history of Indianapolis and its region. The *Journal of American History* absorbing and accurate. Although it is a monument to Indianapolis, do not be fooled into thinking this tome is impersonal or boring. It's not. It's about people, interesting people. The *Encyclopedia of Indianapolis* is as engaging as a biography. Arts Indiana comprehensive and detailed might well become the model for other such efforts. *Library Journal* With more than 1,600 separate entries and 300 illustrations, *The Encyclopedia of Indianapolis* is a model of what a modern city encyclopedia should be. From the city's inception through its remarkable transformation into a leading urban center, the history and people of Indianapolis are detailed in factual and interpretive articles on major topics including business, education, religion, social services, politics, ethnicity, sports, and culture.

Billboard Music Week, 1907 **Fostering Social Justice through Qualitative Inquiry** Corey W. Johnson, Diana C. Parry, 2022-06-30 Contributor spotlight interviews Dr. Kim Lopez https://youtu.be/vEF71NM_jQc Dr. Jocelyn Scott https://youtu.be/vEF71NM_jQc

be qfjcbgExEJ0 Dr Brian Kumm <https://www.youtube.com/watch?v=kchW0MDfw44> t 158s Dr Luc Cousineau <https://youtu.be/IjRvRw3WjgY> Now in its second edition *Fostering Social Justice through Qualitative Inquiry* addresses the methods of conducting qualitative research using a social justice paradigm Qualitative researchers increasingly flock to social justice research to move beyond academic discourse and aid marginalized oppressed or less powerful communities and groups The book addresses the differences that a social justice stance requires from the researcher then discusses how major theories and qualitative methodologies are employed to create social justice in both the process and products of qualitative research Snapshot theory chapters introduce the foundations of theories like feminism critical race theory queer theory and many more Robust methodological chapters cover grounded theory phenomenology ethnography participatory action research and other key qualitative designs Chapters are written by experts in the specific theory or methodology and exemplars of the authors work illustrate this style of research in action New to this edition Expanded attention to the theories most commonly associated with social justice research by authors who have put it to use Methodological chapters on autoethnography collective memory work digital methods and postqualitative inquiry Chapter Reflection Questions to help students and their supervisors instructors apply what they ve learned Recommended readings from each author with annotations to encourage additional exploration This established textbook will be suitable for graduate students and scholars in qualitative inquiry in a range of disciplines including Education and Gender and Sexuality Communication Leisure Studies and across the social sciences

Discipline and Desire Elise Morrison, 2016-10-12 *Discipline and Desire* examines how surveillance technologies when placed within the frames of theater and performance can be used to critique and reimagine the politics of surveillance in everyday life The book explores how rapidly proliferating surveillance technologies including drones CCTV cameras GPS tracking systems medical surveillance equipment and facial recognition software can be repurposed through performance to become technologies of ethical witnessing critique and action While the subject of surveillance continues to provoke fascination and debate in mainstream media and academia opportunities to critically reflect upon and more importantly to imagine alternative creative responses to living in a rapidly expanding surveillance society have been harder to find Author Elise Morrison argues that such opportunities are being created through the growing genre of surveillance art and performance defined as works that centrally employ technologies and techniques of surveillance to create theater installation and performance art Introducing readers to a broad range of surveillance art works including the work of artists and activists such as Surveillance Camera Players Jill Magid Steve Mann Hasan Elahi Wafaa Bilal Blast Theory Electronic Disturbance Theater George Brant Janet Cardiff Mona Hatoum and Zach Blas *Discipline and Desire* provides a practical and analytical framework that can aid the diverse pursuits of new media arts practitioners performance scholars activists and hobbyists interested in critical and creative uses of surveillance technologies
