Skeletons In Your Closet Discovering Your Real Family Tree:

Creation: Facts of Life Dr. Gary Parker, 2006-08-01 What happens when an evolutionary biologist is overwhelmed with scientific evidences of God's plan in nature After three years of trying to prove evolution to skeptical professors in his science department Gary Parker finally realized that the scientific evidence we see in God's world agrees with what we read in God's Word In *Creation Facts of Life* Dr Parker respectfully describes the evidences he once used to preach evolution but then he explains how the rest of the evidence points away from evolution and toward a perfect world created by God ruined by man restored to new life in Christ In easy to follow conversational style Dr Parker discusses DNA and genetics Life Before birth Mutations Adaptations Natural Selection Fossils The Geologic Column The Grand Canyon **Skeletons in Your Closet**

Gary Parker, 1998-05 This former evolutionary science teacher has written the sequel to his popular *Dry Bones* which focused on fossils of animals This time around the author exposes the lies presented to the public with regard to human origins Rather than teach children about stooped club wielding ape men Parker instead presents the real evidence about Neanderthals Cro Magnon Man and other famous fossils labeled missing links by evolutionists Thrill at the biblical answers concerning the dating of fossils early man's capabilities and where this evidence fits in Christian thinking *Find Your Roots Now!*

Nadia Says; "Get Creative, Parent!" Nadia,2012-10-17 The book draws attention to the role of the adult in parenting and the cycle of mismanaged experiences displaying a repetitive pattern of adult behaviour generation after generation It states that unless the adult is willing to open heart and mind the journey of parenting will continue to assume the repetitive pattern of the same old tired errors As there is no formal training for parenting the book appeals to the adult s common sense work at changes through self reflection and management of emotions to build a healthy happy

relationship with his or her child The book serves the dual purpose of providing a guide not solutions on varied common topics affecting adult lives with young children and at the sametime creating awareness for the adult stepping into parenthood or for those working with children It suggests that adults develop a sense of humour before attempting to manage a child s issue It s time for self reflection Get in touch and understand the parent s nature as a child first In the end the book guides those willing to open heart and mind to approach their child with an open to suggestions attitude **Nick**

Barratt's Guide to Your Ancestors' Lives Nick Barratt,2010-06-15 Family history is only one part of your personal heritage there s more to your background than who your ancestors were This differs from most books on the market as it places this process on an equal footing with the social history that surrounds each generation as much as the technical know how on which records to examine and where This book takes you on a unique journey back in time examining the houses streets communities and ways of life that shaped the world around us and in particular the precise circumstances that made us who we are today Furthermore this book will not just explain how and where to undertake this personal detective process it shows you how to organise and shape your findings and create your own personal archive using the latest technology and online resources and how to add your store of knowledge to the emerging social networks that allow us to create a People s Archive and tell the forgotten story of the past that never makes it into the textbooks Family History, Historical
