Skin Two Retro 1 The First Six Issues:

Ripped, torn and cut Subcultures Network, 2018-08-02 Ripped, torn and cut offers a collection of original essays exploring the motivations behind and the politics within the multitude of fanzines that emerged in the wake of British punk from 1976. Sniffin Glue 1976-77 Mark Perry's iconic punk fanzine was but the first of many paving the way for hundreds of home-made magazines to be cut and pasted in bedrooms across the UK. From these glimpses into provincial cultures, teenage style wars and formative political ideas may be gleaned. An alternative history away from the often condescending glare of London's media and music industry can be formulated drawn from such titles as Ripped, Torn, Brass Lip, City Fun, Vague Kill, Your Pet, Puppy Toxic, Grafity, Hungry Beat and Hard as Nails. The first book of its kind, this collection reveals the contested nature of punk's cultural politics by turning the pages of a vibrant underground press.
