Fergus, 2013-06-10 Skillfully weaving an African worldview into the conventional historiography of British abolitionism Claudius K Fergus presents new insights into one of the most intriguing and momentous episodes of Atlantic history In *Revolutionary Emancipation* Fergus argues that the 1760 rebellion in Jamaica Tacky's War the largest and most destructive rebellion of enslaved peoples in the Americas prior to the Haitian Revolution provided the rationale for abolition and reform of the colonial system Fergus shows that following Tacky's War British colonies in the West Indies sought political preservation under state regulated amelioration of slavery He further contends that abolitionists successes from partial to general prohibition of the slave trade hinged more on the economic benefits of creolizing slave labor and the costs of preserving the colonies from destructive emancipation rebellions than on a conviction of justice and humanity for Africans In

the end Fergus maintains slaves commitment to revolutionary emancipation kept colonial focus on reforming the slave system His study carefully dissects new evidence and reinterprets previously held beliefs offering historians the most compelling arguments for African agency in abolitionism

Toward the Light of Liberty A. C. Grayling,2009-05-26 The epic story of the interlocking struggles to achieve the individual rights and freedoms that characterize Western civilization by one of the world s leading public intellectuals Perhaps the hallmark of western civilization over the past five hundred years writes A C Grayling is the series of liberation struggles without which the ordinary citizen in Western countries would not enjoy the rights and freedoms we now take for granted They began with the often violent battle to allow independent thought uncontrolled by the Church which led in time to political freedom as monarchies were gradually replaced by more representative forms of government These in turn made possible the abolition of slavery rights for working men and women universal education the enfranchisement of women and much more Each of these struggles was a memorable human drama and Grayling skillfully interweaves the stories of celebrated and little known heroes alike from Martin Luther and John Locke to the sixteenth century French scholar Sebastien Castellio and the nineteenth century feminist Elizabeth Cady Stanton The triumphs and sacrifices of those who dared to oppose authority ring loudly down the ages proving how hard won each successive victory has been And yet as Grayling persuasively shows in a cautionary coda democratic governments under pressure have often thought it necessary to restrict rights in the name of freedom further underlining how precious they are *Toward the Light of Liberty* is thus particularly relevant as we head toward an election season in which our own civil liberties will surely be an issue

Rastafari and Other African-Caribbean Worldviews Barry Chevannes,1998 Barry Chevannes provides a concise overview of Rastafari and Revivalism and clearly lays out the volume s new approach Leading scholars of Rastafari illustrate and develop the theme with chapters on Rastafari as resistance the origin of the dreadlocks Rastafari and language women in
