Sleeping with the Angels Roger R. Sigmon,2015-08-18 We all face difficult times Being a Christian does not mean we are immune from tragedies and physical and emotional pain Even so the way we react to any of these circumstances can forge our future and the future of others as well Sleeping with the Angels is the story of one woman's struggles through difficult times and illness that left a lifelong lesson to family and friends Author Roger Sigmon tells the story of his mother's final weeks and how she impacted those around her by showing them how to live Life has often been called a journey not a destination Sleeping with the Angels shows how that journey's trials and challenges as well as its happy times can be opportunities for learning and teaching Sometimes at the end of the journey of life death comes not as an enemy but as a friend to release a diseased mind or body from its prison

Shri Shri Tae Swami,2005-07-01 In the religious teachings of One Great Spirit Jehovah the Creator the peace cycle comes to Earth every three thousand years to free people from the bondage of misery crime poverty and war

Every Child Has a Guardian Angel Thérèse Mary Smith,2015-01-30 One of the most important roles of any parent is to help his or her child become aware of who that child really is as a spiritual being living on Earth Every Child Has a Guardian Angel supports parents who wish their child to sense the loving energy of their guardian angel Through these exercises and meditations parents can successfully show and teach their children to feel the beauty of their true essence and communicate with their guardian angel Regularly practicing the exercises and meditations can make living with angels an everyday reality for children improving the quality of their lives and the lives of those around them Children coexisting with the angels in the same world is completely possible and can happen through parents being guided with the information and strategies in Every Child Has a Guardian Angel
