Sleeping With Pancho Villa:

Sleeping with Pancho Villa Rick Skwiot, 1998 An American drifter in Mexico becomes a suspect in the murder of a sculptor because he is having an affair with the sculptor s fianc e To clear his name the American must find a motive which could be political as the woman is a politician s daughter Writing Pancho Villa's Revolution Max Parra, 2010-01-01 The 1910 Mexican Revolution saw Francisco Pancho Villa grow from social bandit to famed revolutionary leader Although his rise to national prominence was short lived he and his followers the villistas inspired deep feelings of pride and power amongst the rural poor After the Revolution and Villa s ultimate defeat and death the new ruling elite resentful of his enormous popularity marginalized and discounted him and his followers as uncivilized savages Hence it was in the realm of culture rather than politics that his true legacy would be debated and shaped Mexican literature following the Revolution created an enduring image of Villa and his followers Writing Pancho Villa's Revolution focuses on the novels chronicles and testimonials written from 1925 to 1940 that narrated Villa's grassroots insurgency and celebrated or condemned his charismatic leadership By focusing on works by urban writers Mariano Azuela Los de abajo and Mart n Luis Guzm n El guila y la serpiente as well as works closer to the violent tradition of northern Mexican frontier life by Nellie Campobello Cartucho Celia Herrera Villa ante la historia and Rafael F Mu oz V monos con Pancho Villa this book examines the alternative views of the revolution and of the villistas Max Parra studies how these works articulate different and at times competing views about class and the cultural otherness of the rebellious masses This unique revisionist study of the villista novel also offers a deeper look into the process of how a nation s collective identity is formed Sleeping with Strangers David Thomson, 2020-01-14 In this wholly original work of film criticism David Thomson celebrated author of The Biographical Dictionary of Film probes the many ways in which sexuality has shaped the movies and the ways in which the movies have shaped sexuality Exploring the tangled notions of masculinity femininity beauty and sex that characterize our cinematic imagination and drawing on examples that range from advertising to pornography Bonnie and Clyde to Call Me by Your Name Thomson illuminates how film as art entertainment and business has historically been a polite cover for a kind of erotic s ance In so doing he casts the art and the artists we love in a new light and reveals how film can both expose the fault lines in conventional masculinity and point the way past it toward a more nuanced understanding of what it means to be a person with desires By the Lake of **Sleeping Children** Luis Urrea, 2010-11-17 By the Lake of Sleeping Children explores the post NAFTA and Proposition 187 border purgatory of garbage pickers and dump dwellers gawking tourists and relief workers fearsome coyotes and their desperate clientele In sixteen indelible portraits Urrea illuminates the horrors and the simple joys of people trapped between the two worlds of Mexico and the United States and ignored by both The result is a startling and memorable work of first How to Sleep Alone in a King-Size Bed Theo Pauline literature and recipe ideas from famous people make it more fascinating Mexican Melodrama Elena Lahr-Vivaz, 2016-10-18 In Mexican Melodrama Elena Lahr Vivaz explores the compelling ways that new wave Mexican directors use the tropes and themes of Golden Age films to denounce the excesses of a nation characterized as a fragmented and fictitious construct Analyzing big hits and quiet successes of both Golden Age and new wave cinema the author offers in each chapter a comparative reading of films from the two eras considering for instance Amores perros Love s a Bitch Alejandro Gonz lez I rritu 2000 alongside Nosotros los pobres We the Poor Ismael Rodr quez 1947 Through such readings Lahr Vivaz examines how new wave directors draw from a previous generation to produce meaning in the present Mexico s

Golden Age of film the period from the 1930s to the 1950s is considered golden due to both the prestige of the era's stars and the critical and popular success of the films released Golden Age directors often turned to the tropes of melodrama and allegory to offer spectators an image of an idealized Mexico and to spur the formation of a spectatorship united through shared tears and laughter In contrast Lahr Vivaz demonstrates that new wave directors of the 1990s and 2000s use the melodramatic mode to present a vision of fragmentation and to open a space for critical resistance In so doing new wave directors highlight the limitations rather than the possibilities of a unified spectatorship and point to the need for spectators to assume a critical stance in the face of the exigencies of the present Written in an accessible style Mexican Melodrama offers a timely comparative analysis of critically acclaimed films that will serve as key referents in discussions of Mexican cinema for years to come Christ Versus Arizona Camilo José Cela, 2007 Christ versus Arizona turns on the events in 1881 that surrounded the shootout at the OK Corral where Wyatt Earp Doc Holliday and Virgil and Morgan Earp fought the Clantons and the McLaurys Set against a backdrop of an Arizona influenced by the Mexican Revolution and the westward expansion of the United States the story is a bravura performance by the 1989 Nobel Prize winning author A monologue by the na ve unreliable and uneducated Wendell L Espana the book weaves together hundreds of characters and a torrent of interconnected anecdotes some true some fabricated Wendell's story is a document of the vast array of ills that welcomed the dawning of the twentieth century ills that continue to shape our world in the new millennium **Airman** .1960 House of Night Leslie Howard Gordon,1921 Palinuro of Mexico Fernando del Paso, 1996 Like those writers to whom he has been compared Fuentes Garcia Marquez James Joyce and Rabelais del Paso draws upon myth science and world literature to expand his particular story to universal proportions Telling the story of a medical medical student who s engaged in an incestuous affair with his cousin the novel satirizes advertising politics pornography and mythology while at the same time celebrating the body with a thoroughness that only a student of medicine could manage **Mummified Deer** and Other Plays Luis Valdez, 2005-04-30 For more than twenty years Luis Valdez the most distinguished Latino playwright and director has reserved most of his scripts for live stage productions His two landmark published collections Early Works and Zoot Suit and Other Plays are only a sampling of his early master works and of the later plays that made it to the stage in the 1980s Now Valdez has finally opened his trunk to release print editions of a revised early work and two brand new major dramas Mummified Deer is Valdez s mature exploration of the Yaqui Indian roots of Mexican American culture and Valdez s own family Returning to the format of the tent show Valdez mines maternal psychology and Yaqui mysticism to demand that characters scale the full gamut of emotions In this gut wrenching piece Mama Chu is the dominant imposing figure who must reconcile the present with the past and unify the conflicting histories and identities of her family Mundo Mata is the long awaited drama of unionizing farm workers battling the agribusiness power structure in California while Mexican Americans are being sent off to battle brown skinned enemies in Vietnam Valdez assesses the toll that families have to pay to remain
