Tattle Tails For Jesus:

Tattle Tails for Jesus Bonita Bernard, 2004 Teaching kids to tattle one tale at a time **The Many Faces of Biblical Humor** David A. Peters, 2007-11-06 The Many Faces of Biblical Humor examines how the Bible writers intentionally used humor irony and sarcasm to argue their points concisely This work begins with the dysfunctional families of Genesis continues delightfully through every book of the Bible and ends with a glorious fulfillment in Revelation Along the way the reader is presented humorous stories pathetically funny characters and poignant quips and quotes from prophets poets and principals The author paraphrases each biblical text in an engaging prose that highlights the humor of that passage humor that may not have been previously noted by the reader Between the paraphrases the author sets the historical and linguistic setting allowing the reader to see how the humor and puns of the text enrich the biblical understanding of God's message Also included are applications of these marvelous passages to our daily lives as we see our own foibles portrayed in the biblical characters In many ways this is a Bible commentary with an accent on the humorous In another sense it is simply a delightful book that makes the Bible come alive through the latent humor of its characters and their stories This revised edition contains corrections of typographical errors in the first edition as well as some clarifying material to make the humor more enjoyable For more information visit the author's website The Chronological Life of Christ Mark E. Moore, 2007 not much has changed since Jesus gathered dust in the soles of his sandals on Palestinian soil He is still the buzz at barber shops and corner cafes He is still talked about and against He pricks our curiosity sparks our imagination and even earns our ire Who is he really You know he's no politician but he still transforms nations He's no social activist but he is the genesis of who knows how many hospitals orphanages and innumerable acts of kindness A psychotherapist Hardly But how many of us Humpty Dumpties has he put back together again This peasant carpenter has built himself a kingdom immeasurably greater than his earthly enemies could have imagined What are we to make of him Please accept my deepest apologies right up front for this book will not help answer that question However it may help answer this one What is this man to make of me The Chronological Life of Christ is the definitive resource where all four Gospels have been harmonized into one chronological story line The reader gets an in depth look at Jesus' life ministry death and resurrection a look not attainable when reading each Gospel separately Written using the Thomas Gundry NIV Harmony of the Gospels as a frame The Chronological Life of Christ includes a very helpful subject index and user friendly table for quickly finding Bible passages This is a must have resource for every student and teacher of God's Word Book jacket *Tomato Sandwich Truth: One Little Girl's Journey Through the Gospel of Mark* Lori Rodeheaver, 2012-09-20 This is one little girl's journey through the gospel of Mark It's written expositionally and practically through the guidance of the Holy Spirit and the eyes of a young woman searching desperately for her Father as well as the Truth Postils for Preaching John Rollefson, 2016-12-09 Postils for Preaching reprimates an old term for commentaries on the appointed texts by assisting preachers in their time honored calling of

preaching the Word Post illa some think probably refers to the reflecting after this meaning upon the texts that preachers must do in the context of the lives of their congregations and larger communities These essays do not aim to be sermons but sermon starters goads and incitements to consider the assigned texts with serious imagination and good humor all in the context of the church year and its inter textual connections The intention of this publication is to dip into a lifetime of that exegetical and homiletical bag of tricks as Jesus himself obliquely recommended when he noted how every scribe who has been trained for the kingdom of heaven is like the master of a household who brings out of his treasure what is new and what is old Matt 13 52 Please consider these postils a thesaurus treasury from which to borrow insights references and allusions as needed and found of value

The Discipleship Paradigm David Beck, 2021-11-15 This volume examines the Fourth Gospel narrative in terms of its character portrayal especially the portrayal of anonymous characters It focuses on how characterization impacts readers eliciting their involvement in the narrative particularly the recognition of and response to Jesus identity and how anonymity facilitates that participation The first chapters examine the understanding

of characterization in contemporary literary theory then the author explores other contemporaneous narratives for the function of anonymous characters in those narratives The final chapters examine specific character portrayals in the Fourth Gospel demonstrating how the narratives of anonymous characters draw the reader into participation in the narrative and enables identification with those characters especially the disciple Jesus loved the Johannine paradigm of discipleship
