Te Wiremu A Biography Of Henry Williams:

Te Wiremu L. M. Rogers,1996 *Te Wiremu* Lawrence M. Rogers,1998-08 **Te Wiremu - Henry Williams** Henry Williams,2011 From his letters and journals 1823 1840 Henry Williams gives a personal account of living in New Zealand during this fascinating time in history Back cover **The Life of Henry Williams, Archdeacon of Waimate** Hugh Francis Carleton,1877 **The Origins of an Experimental Society** Erik Olssen,2025-04-10 In this major work one of our leading historians offers a new account of the origins of New Zealand how Pakeha settlers a Better Britain While both experiments were first conceived by savants and philosophers they gained ongoing support by lodging in the hearts and minds of the settlers whalers and missionaries mothers and farmers In turn Maori adapted these new ideas to their own ends giving up slavery and inter tribal warfare and adapting the institutions of the colonisers in ways that would re define the experiments This then is an ethnography of tangata Pakeha a people of European descent changed by their encounters with tangata Maori and their land just as Maori were themselves changed and the story of the society they built together Ranging across intellectual and cultural history from the beach at Paihia to the coffee houses of Paris Olssen enables us to understand the origins of New Zealand anew **Making Peoples: A History of the New Zealanders From Polynesian** James Belich,2007-05-07 A new paperback reprint of this best selling and ground breaking history When first published in 1996 Making Peoples was hailed as redefining New Zealand history It was undoubtedly the most important work of New Zealand history since Keith Sinclair s classic A History of New Zealand Making Peoples covers the period from first settlement to the end of the nineteenth century Part one covers Polynesian background Maori settlement and pre contact history Part two looks at Maori European relations to 1900 Part three discusses Pakeha colonisation and settlement James Belich s Making Peoples is a major work which reshapes our understanding of New Zealand history challenges traditional views and debunks many myths while also recognising the value of myths as historical forces Many of its assertions are new and controversial

A Savage Country Paul Moon,2012-04-26 New Zealand in the 1820s had no government or bureaucratic presence no newspapers were published the literate population was probably no more than a couple of dozen people at any one time Early explorers assessments of New Zealand were haphazard at best few knew what to make of this foreign land and its people In this groundbreaking history of early New Zealand Paul Moon details how so many of the events in this decade the introduction of aggressive capitalism the arrival of literacy and the beginnings of Maori print culture intertribal warfare Hongi Hika and the British connection colonisation as a simultaneously destructive and beneficial force influenced the nation s evolution over the remainder of the century Moon leaves no stone unturned in his examination of this dynamic and fascinating pre Treaty era Surprising and engaging A Savage Country does not merely recount events but takes us inside a changing country giving a real sense of history as it happened Paul Moon has produced an engrossing account of a singular violent and confused decade in New Zealand s history Paul Little North South **Biographical Dictionary of Christian**

Missions Gerald H. Anderson,1999 The book also features cross references throughout a bibliography accompanying each entry an elaborate appendix listing biographies according to particular categories of interest and a comprehensive index

BOOK JACKET *Historical and Archaeological Perspectives on Gender Transformations* Suzanne M.

Spencer-Wood,2012-12-09 In many facets of Western culture including archaeology there remains a legacy of perceiving gender divisions as natural innate and biological in origin This belief follows that men are naturally pre disposed to public intellectual pursuits while women are innately designed to care for the home and take care of children In the interpretation of material culture accepted notions of gender roles are often applied to new findings the dichotomy between the domestic sphere of women and the public sphere of men can color interpretations of new materials In this innovative volume the contributors focus explicitly on analyzing the materiality of historic changes in the domestic sphere around the world Combining a global scope with great temporal depth chapters in the volume explore how gender ideologies identities relationships power dynamics and practices were materially changed in the past thus showing how they could be changed in the future *Where the Waves Fall* K.R. Howe,2023-05-03 *Where the Waves Fall* 1984 centres the stories of the Pacific Islanders and how they were affected by European explorers and colonisers in this unique account of human settlement and cultural interchange in the Pacific islands It follows the fortunes of the seafarers who discovered island after island in the world s largest ocean traces the development of their civilisations and examines in depth the interaction between them and the newcomers European explorers traders beachcombers missionaries merchants who from the sixteenth century came in an increasing series of waves The book s framework enables the author to throw new light on hitherto isolated events Novel suggestions are advanced as to why some islands became kingdoms in the earlier years of European contact and why others did not and of how and why missionaries were accepted on some islands but not on others Nor does Professor Howe shrink from provocative and at times controversial arguments concerning the ambitions and strategies of island leaders and indeed the overall nature and extent of the initiatives taken by the islanders
