Teachers With Class True Stories Of Great Teachers:

Teachers with Class Marsha Serling Goldberg, Sonia Feldman, 2003-03-02 Teachers with Class celebrates teachers and the art of good teaching Almost everyone has had a special teacher at some point one who saw potential where others did not one who made ideas come alive one who taught more than what was in the textbook In Teachers with Class 30 famous and not so famous people thank their favorite teachers with essays that praise the difference a good teacher makes James Earl Jones honors the high school English teacher who helped him overcome his stutter and learn to speak comfortably out loud An architect recalls a teacher's belief in the unlikeliest student Three time Pulitzer Prize winner Thomas Friedman remembers the teacher who inspired his career in journalism by imparting lessons that are relevant today One man tells of the math teacher whose patience and guidance gave him the confidence to succeed as a physician and researcher These stories will spark memories about the special teachers in your own life You can use the dedication page provided at the beginning of the book to inscribe a note to say thank you to a favorite teacher Or to really say thank you use the list of grants and awards for teachers featured in the book to nominate a teacher who made a positive impact on your life A portion of the proceeds from Teachers with Class will go to the National Education Association NEA Foundation [Secrets of Great Teachers](#) Elisheva Zeffren, Perella Perlstein, 2018-01-25 You can abandon rote learning with this middle and high school teaching guide Encouraging both students and teachers to unlock their creativity the authors provide guidance in lesson planning and ideas for creating unconventional homework projects and tests that are cost free and easy to implement This book leads teachers away from endorsing competition and teacher pleasing behavior and offers ideas for independent thinking that will strengthen students decision making deductive reasoning and emotional intelligence **Classroom Motivation from A to Z** Barbara R. Blackburn, 2013-07-23 This book focuses on basic strategies you can integrate into everyday instruction in every subject area and across grade levels It shows teachers how to motivate and engage students The practical examples in this book make it easy for you to apply these strategies in your own classroom It presents lively stories about how teachers help their students succeed You'll meet teachers of all types from preschool to high school and you'll hear the voices of real students Companion Study Guide Available **Shaping School Culture** Terrence E. Deal, Kent D. Peterson, 2010-12-28 A Guide for Shaping Your School's Culture In this thoroughly revised and updated edition of their classic book Shaping School Culture Terrence Deal and Kent Peterson address the latest thinking on organizational culture and change and offer new ideas and strategies on how stories rituals traditions and other cultural practices can be used to create positive caring and purposeful schools This new edition gives expanded attention to the important symbolic roles of school leaders including practical suggestions on how leaders can balance cultural goals and values against accountability demands and features new and powerful case examples throughout Most important the authors show how school leaders can transform negative and toxic cultures so that trust commitment and sense of unity can prevail Praise for Shaping School

Culture For those seeking enduring change that is measured in generations rather than months and to create a legacy rather than a headline then *Shaping School Culture* is your guide Dr Douglas B Reeves founder The Leadership and Learning Center Englewood CO Deal and Peterson combine exquisite language vibrant stories and sage advice to support school leaders in embracing the paradoxical nature of their work A must read for all school leaders Pam Robbins educational consultant and author *Once again* the authors have presented practitioners researchers professional developers school coaches and others with a tremendous resource for renovating and reinvigorating schools Karen M Dyer Ed D group director Education and Nonprofit Sector Office Center for Creative Leadership Greensboro NC [Conversations with Great Teachers](#) Bill Smoot,2010-05-17 In the spirit of Studs Terkel s Working Bill Smoot interviews master teachers in fields ranging from K 12 and higher education to the arts trades and professions sports and politics The result suggests a dinner party where the most fascinating teachers in America discuss their various styles as well as what makes their work meaningful to them What is it that passes between the best teachers and their students to make learning happen What are the keys to teaching the joys of literature shooting a basketball alligator wrestling or how to survive one s first year in the U S Congress Smoot s insightful questions elicit thought provoking reflections about teaching as a calling and its aims frustrations and satisfactions *For the Love of Teachers* Todd Whitaker,2013-05-07 *For the Love of Teachers* is a tribute to those who possess the remarkable ability to exercise patience and understanding and to offer guidance along an unfamiliar path The influence these dedicated teachers have is reflected in many of the goals their students set and achieve every day whether learning to tie their shoes memorizing multiplication tables or excelling on the SATs all basic steps which are vital to their growth and self esteem For this reason among many others the importance of these positive role models in our children s lives as well as our own can t be stressed enough *For the Love of Teachers* is the ideal way to express the admiration and appreciation we share for them The reasons why someone chooses to teach isn t always clear but what many teachers have in common is the desire to make a difference in the lives of others a task that can be bittersweet *For the Love of Teachers* is filled with inspiring stories that do just that Some are warm humorous and heartfelt while others illustrate difficult or unexpected situations with the lessons learned along the way Readers will identify with many of the students who recall that special teacher who challenged them to find their hidden talent motivated them to push a little harder or to simply surpass their own expectations *For the Love of Teachers* is a special way of saying thanks to all the teachers who ve sacrificed their time to better the lives of others

Sustaining Change in Schools Daniel P. Johnson,2005 Ensure the success of your school change efforts with a proven five step process that will strengthen working relationships among teachers parents and administrators **Why I Teach** Esther Wright, M.A.,2011-08-10 A Celebration of the Power of Teaching There is a moment for most teachers when the lure of working with kids surpasses all logic You know you just know that you are meant to teach But in the day to day crush of details and bus duty politics and paperwork or kids without their homework for the eighth day in a row life can erode passion

and distract you from your sense of purpose This collection of stories from teachers everywhere will remind you of those magic moments when a light goes on in the eyes of a child when resistance breaks when hearts connect moments that make the challenges of teaching worth every second and remind you of why you are here in the first place **Normal Instructor and Teachers World** ,1922 **Write Like You Teach** James M. Lang,2025-05-09 This engaging guide offers practical advice to teachers on how to utilize their existing classroom skills to become more effective public writers After years spent cultivating their expertise and passion for a subject scholars are uniquely positioned to write great books Yet accustomed to writing for an audience of their peers many scholars find it challenging to adapt their writing to a style that is accessible and engaging to the general public James M Lang argues that academics are regularly called on to pitch their research to a general audience their undergraduates If only there were a way to translate the skills they use in the classroom into their writing In *Write Like You Teach* Lang a veteran writer and teacher distills the elements of good classroom teaching into guidelines for writing for a general audience He encourages authors to pay attention to how their readers learn and to embrace exploration experimentation and creativity in their writing Lang asks his readers to consider the questions that all great teachers ask themselves How will I get the attention of my students How do I make them curious about the subject What stories or examples will illustrate the more difficult concepts or theories in the course When will I pause in the class and give students a break from hard thinking What will I do at the end of the class to remind students about my key messages and leave them wanting to know more *Write Like You Teach* includes examples from successful writers and useful anecdotes from Lang s own classroom and writing career Indeed Lang takes his own advice to heart like a good teacher he varies the form of each chapter making sure to introduce some surprises to keep the reader engaged Each chapter ends with writing prompts to help readers practice their newly acquired skills and an appendix provides additional advice on publishing and promoting one s work Teachers who follow Lang s suggestions will find new ways to connect with their readers and like any good student they will never approach writing the same way again
