The Open Borders Lobby And The Nations Security After 911:

The Three U.S.-Mexico Border Wars Tony Payan, 2016-10-11 This book addresses the three central issues that continue to dominate the U S Mexico relationship today drugs immigration and security Nowhere is this more palpable than at the 2 000 mile border shared by the two countries The U S Mexico border remains a hot topic in the news and a contentious one This second edition of a popular work brings readers up to date on what is really going on at the U S Mexico border and why The book offers a detailed history based examination of the evolution of current conditions on the border arguing that they exist due to a steady growth in the security concerns of the United States over almost two centuries The author shows how the border has gone through four historical stages that ultimately have crippled the region sacrificing its ability to produce prosperity in exchange for greater security Combining depth and breadth the book covers the economic relationship between Mexico and the United States the deployment of technology the bureaucratic interests that control the border landscape the democratic deficit and a detrimental lack of policy coordination Issues such as drug trafficking and homeland security are considered as well Demonstrating the internal and contradictory logic of American policy toward the border the author argues that current conditions could lead to a return of authoritarianism in Mexico and a concurrent rise in anti American sentiment *Whether the Attempted Implementation of the Reid-Kennedy Immigration Bill Will Result in an Administrative and National Security Nightmare* United States. Congress. House. Committee on the Judiciary. Subcommittee on Immigration, Border Security, and Claims, 2006 **Battleground Immigration: M-Z** Judith Ann Warner, 2009 A Z entries explore the most critical debates surrounding immigration in the U S today **Open Borders--Closed Minds** Robert Klein Engler, 2008-05-05 This book is a collection of articles about immigration and illegal immigration to the United States of America These articles have appeared online and in print and are gathered for the first time in one place Open Borders Closed Minds has two objectives to open the minds of United State citizens about the problems and dangers of uncontrolled immigration and to persuade our elected officials to close and secure the nation s borders Welcome to America? : hearing , Welcome to America? United States. Congress. House. Committee on Foreign Affairs. Subcommittee on International Organizations, Human Rights, and Oversight, 2007 The Urban Response to Internationalization Peter Karl Kresl, Earl H. Fry, 2005-01-01 Through these they hope to facilitate development of activities that will improve the economic lives of residents and enable their city to maintain or advance its competitiveness and its position in the urban hierarchy This unique study will be of great interest to scholars and researchers of economics urban studies and public policy as well as to those in city administrative and leadership positions *National Solutions to Trans-Border Problems?* Isidro Morales, 2016-04-22 Triggered by the North American Free Trade Agreement NAFTA Canada the United States and Mexico redefined their public policies to facilitate the regionalization of transactions However this volume addresses the institutional gaps that still remain focusing mainly on the cross border governance of security aspects It gathers interdisciplinary contributions of specialists

working on continental issues within Canada the United States and Mexico and highlights the transnational dimension of certain issues still managed under national framed policies Furthermore it explores the possibilities and constraints for moving public policy into new cross border governance strategies Divided in three parts the first part assesses what is at stake in cross border governance issues and whether the integrative trend in the region will be maintained or stalled in the years to come The second part explores the growing scope of security problems interconnected with borders migration energy and drug trafficking across the region It highlights how Mexico and Canada are responding or adapting their policy choices to a continental security approach framed by the US after the terrorist attacks of September 11 and to the major concerns of the Obama administration The third part focuses on the governance of territorial borders and bilateral affairs i e Mexico US and Canada Mexico relations
