The Other Side Of Silence Women Tell About Their Experiences With Date Rape:

The Other Side of Silence Christine Carter,1995 Women who have been date raped reveal the singular pain of betrayal that compounds the brutal experience of sexual violence Their personal accounts are then considered by health professionals who explain how to recognize factors common in rape situations recommend methods for recovery and answer frequently asked questions Includes a state by state listing of rape crisis centers The Dark Side of Courtship Sally A. Lloyd,Beth C. Emery,2000 Blending qualitative interviews with current research findings this timely book explores the dark side of courtship the negative interactions that take place between dating and courting partners most notably physical aggression and sexual exploitation It emphasizes the importance of understanding how power dynamics verbal aggression interaction patterns issues of control and relationship dynamics are integrally tied to physical and sexual aggression The authors also examine the contextual factors that encourage the use of physical and sexual aggression in romantic relationships and allow them to continue without necessarily bringing about the demise of the relationship These contextual factors include patriarchal structures the power of romance and patterns of gender socialization Personal anecdotes from interviews conducted by the authors are interwoven with the interpersonal and contextual framework as well as the extant literature on physical and sexual aggression during courtship It is unique in its emphasis on interpersonal dynamics as the vast majority of the literature on courtship aggression has focused on the role of personality and other intra individual factors *Sex Matters for Women* Sallie Foley,Sally A. Kope,Dennis P. Sugrue,2011-12-13 A guide to help women understand how their bodies work and to take charge of their sexuality discussing anatomy body image trauma overcoming difficulties and related topics **Daughters in Danger** Elayne Bennett,2014-02-04 Respected family advocate Elayne Bennett brings hope and encouragement to families and shows the way to save our daughters from the many threats they face Many girls today are caught up in a world that devalues them and prioritizes perceived needs and desires in ways that will break their very hearts Much of our culture undermines girls and damages their souls Elayne Bennett has worked tirelessly in urban suburban and rural environments to bring hope and guidance to the lives of girls In *Daughters in Danger* she reveals How American families can rescue daughters from the negative and destructive patterns of our culture Why progressive feminism is the wrong answer and an inadequate solution How mothers and fathers sisters and brothers friends schools colleges and universities can be involved in saving our daughters The success of the Best Friends and Best Men program models We all especially families bear the responsibility for encouraging and supporting training and directing loving and cherishing daughters everywhere This book is an inspiring call to take action for their sakes Preventing Alcohol-related Problems on Campus Peter Finn,1995 College Student Journal ,1996 Family Therapy ,1997 **The Victimization of Women** Michelle L. Meloy,Susan L. Miller,2010-12-24 In *The Victimization of Women* Michelle Meloy and Susan Miller present a balanced and comprehensive summary of the most significant research on the victimizations violence and victim politics that

disproportionately affect women They examine the history of violence against women the surrounding debates the legal reforms the related media and social service responses and the current science on intimate partner violence stalking sexual harassment sexual assault and rape They augment these victimization findings with original research on women convicted of domestic battery and men convicted of sexual abuse and other sex related offenses In these new data the authors explore the unanticipated consequences associated with changes to the laws governing domestic violence and the newer forms of sex offender legislation Based on qualitative data involving in depth offender based interviews and analyzing the circumstances surrounding arrests victimizations and experiences with the criminal justice system The Victimization of Women makes great strides forward in understanding and ultimately combating violence against women Feminist Bookstore News ,1997
