Marvin Pate,1998 Of all the books of the Bible few are as fascinating or as intimidating as Revelation Four grim horsemen the Antichrist the ten horned beast the ultimate battle at Armageddon the mark of the beast It s no wonder that these images have gripped the imagination of so many and have been variously interpreted as symbolizing everything from Hitler and Gorbachev to credit cards and the Internet Is the book of Revelation a blueprint for the future A book of powerful symbolic imagery with warnings for the church Is it essentially an imaginative depiction of historical events in the first century Four Views on the Book of Revelation explores four interpretations of the book of the Apocalypse Preterist a historical interpretation arguing that most of John s prophecies occurred in the first century soon after his writing of them Idealist a spiritual or symbolic interpretation arguing that the events in Revelation are not literal and that apocalyptic literature requires a different approach than the Gospels or Epistles Classical dispensationalism a literal interpretation based on a reading of Revelation that pays close attention to the rules of grammar and the separate eras of covenantal history Progressive dispensationalism a modification of classical that has its root in the understanding of Christ s reign beginning immediately after the resurrection The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

The Time Is at Hand! Desmond Ford,2010-01-12 For nearly 2 000 years the book of Revelation has been viewed as the most difficult book in the Bible The hundreds of commentaries in the Library of Congress testify that there is no unanimity about the meaning of the symbols of Revelation And yet this is the only book in the Bible where a special blessing is pronounced on its readers Its a book from Jesus Christ about himself his gospel the future and what will happen to the saints at the end of time Desmond Fords Introduction to the Book of Revelation is the fruit of decades of study plus research at the University of Manchester under Professor F F Bruce Ford off ers a much neglected keythis sacred book can only be unlocked by understanding the preceding 65 books of the Bible and in particular the life teachings and death of Jesus The main message of Revelation is that the church is to repeat the experience of its Lord After its final proclamation of the gospel it will be condemned to martyrdom And this climactic sin of the world will precipitate the return of Christ in glory
