The Old Faith and the New David Friedrich Strauss,Mathilde Blind,1873 A.B. Simpson and the Making of Modern Evangelicalism Daryn Henry,2019-12-26 A shrewd synthesizer gifted popularizer and inspiring founder of the Christian and Missionary Alliance movement A B Simpson 1843 1919 was enmeshed in the most crucial threads of evangelical Christianity at the turn of the twentieth century Daryn Henry presents Simpson s life and ministry as a vivid fascinating and paradigmatic study in evangelical religious culture during a time when the conservative wing of the movement has often been overlooked Simpson s ministry Henry explains fused the classic evangelical emphasis on revivalist conversion with the intensification of that sensibility in the quest for the deeper Christian life of holiness Recovering the practice of divine healing Simpson emphasized a dynamically empowered and supernaturally animated Christianity that would spill over into nascent Pentecostalism His encouragement of cross cultural missions was part of a trend that unleashed the dramatic rise of world Christianity across the Global South All the while his Biblical literalism antagonism to modernist theology campaigns against evolution and views on premillennialism Biblical prophecy and the role of Israel in the end times made Simpson a precursor of the fundamentalist melees of subsequent decades From his upbringing in rural Canada and confessional Scottish Presbyterianism Simpson journeyed into the heart of American evangelicalism revolving around his base in New York City Against most previous writing on Simpson Henry s biography presents both continuities and discontinuities in the development of modern interdenominational evangelicalism out of the denominational evangelicalism of the nineteenth century **A. B. Simpson and the Pentecostal Movement** Charles Nienkirchen,2010-05-01 Based on impressive research the author has offered the spiritual heirs of A B Simpson as well as the larger church world an accurate interpretation of Simpson s spiritual pilgrimage The information about Simpson s belief in speaking in tongues and the ministries of those who remained or left the Alliance over the issue provides valuable insights into the close relationship between the organization and emerging Pentecostal movement Gary B McGee Professor of Church History Assemblies of God Theological Seminary It is good news indeed that Charles Nienkirchen s A B Simpson and the Pentecostal Movement is being republished This is a very important and well written work which sheds light not only on A B Simpson s quest for the tongues attested baptism in the Holy Spirit but on the milieu surrounding the early spread of Pentecostalism in America and especially in the Christian and Missionary Alliance This is a historical treasure Vinson Synan Dean Emeritus Regent University School of Divinity Simpson has long deserved an in depth study A pivotal turn of the century figure who never

found full acceptance in any wing of American evangelicalism this prolific Canadian nonetheless profoundly influenced popular evangelicalism and Anglo American Pentecostalism Nienkirchen makes careful use of long unused primary sources to illuminate Simpson's relationship to early Pentecostalism The result is a suggestive work that offers perceptive insights into early Pentecostalism and the context from which it emerged Edith L Blumhofer Project Director Institute for the Study of American Evangelicalism Wheaton Nienkirchen provides a splendid study of the relationship of A B Simpson to Pentecostalism This book demonstrates wide knowledge of primary materials and great care in documentation with about one third of the text devoted to footnote material Nienkirchen clearly delineates the major elements in Simpson's religious thought and gives attention to the most significant ways in which his thought changed His major interest in this book focuses on the ways in which Simpson influenced the formation of early Pentecostalism Pentecostals accept some elements of Simpson's teaching and rejected or modified others but Nienkirchen argues persuasively the case for Simpson's importance in understanding Pentecostalism moreover he clearly illustrates specific ways both direct and indirect in which that influence was felt in the complex story of early holiness pentecostal relationships William Pitts Professor of Church History Baylor University Charles Nienkirchen has supplied those interested in the history and theology of American Evangelicalism the Christian and Missionary Alliance or the Pentecostal movement with an invaluable reference tool and an interpretive lens through which to understand them This must read has shown its worth by remaining as relevant informative and provocative as when it first went to press Bernie A Van De Walle Associate Professor of Historical and Systematic Theology Ambrose University College and Seminary Calgary AB In A B Simpson and the Pentecostal Movement Charles Nienkirchen has combined prodigious research with mastery of historical and theological sources to produce a superb study of Simpson's relationship with early pentecostalism This is a most important and useful work Randall Balmer Barnard College Columbia University

The Heart of the Gospel Bernie Van De Walle, 2009-01-01 The Fourfold Gospel most often associated with Albert B Simpson founder of The Christian and Missionary Alliance which focuses on the doctrines of Christ as Savior Sanctifier Healer and Coming King has been identified as a key contributing factor to the birth and development of the modern Pentecostal movement Through a close observation of the doctrinal themes of select and renowned Evangelical leaders in America A J Gordon of Boston D L Moody of Chicago A T Pierson of Philadelphia Detroit and A B Simpson of New York this work shows that the Fourfold Gospel and therefore the theological source for modern Pentecostalism rather than being a marginal movement within late nineteenth century Evangelicalism was instead its very heart
