The Old Man Who Danced Naked Around The Flag Pole:

The Old Man Who Danced Naked Around the Flag Pole James Scott, 2005-12 In the year 2034 James Scott was facing a birthday that would place him in a beyond forty world with a family lost to divorce and a career that no longer held any meaning So he took off for his ancestral home hoping to find rest and at least a temporary escape from his future For two days he drove to Kentucky to be in the bluegrass in the spring There without intending to he became the May houseguest of an old distant cousin a retired university history professor unaware that the eighty six year old had made him his one last pupil in his last capstone seminar Spring s waning into summer brought an end to James s sabbatical as the old man wound down his final course bringing to a close his tales of his own life and of his friends and family when he was his younger cousin s age This is James s story of homecoming and renewal of how in listening to the old man tell of days gone by time for a moment turned back on itself and he found himself drawing identity and strength from a place and time and people he had never known He found hope again and maybe even moments of joy With the oncoming of summer the younger man was back on the road again facing his future head on James Scott is the penname of the author who lives in the American South

The First Valkyrie S. C. Coleman, 2018-08-10 Where did the Valkyries come from We know them as avenging angel women They wore bright armor and rode flying horses into battle Well there are many legends about them Here is one more to add to the valkyrja lore Working with myth it is sometimes necessary to take liberties with historical folklore Ok ok you got me There are a lot of liberties taken with this book In fact this story does not take place on Earth at least not what we know Earth to be At the turning of an age this world is struggling to oppose a dark force The well named Dark Queen Magiya is waging war on the whole continent If her war continues then soon there will be only beasts inhabiting the world A young woman named Eleesa begins her journey that will culminate in the showdown of ages The Kingdom or Queendom she comes

from is known as Bahl It just so happens the Dark Queen Magiya rules the land that Eleesa was born in Eleesa must escape this place to find her true nature She must first endure a series of tribulations During her journey she will face a house filled with snakes a jealous queen and a mountain infested by bear men She will meet a bundle of misfit companions along the way including Diodo the Writer Jaco Marco and even a venomous snake Her counter part Queen Magiya is busy waging war on the land At the right hand of the Queen is a General named Hamo He is a famous General caught between light and darkness Will Eleesa survive Will the Dark Queen take over the world Will General Hamo find peace You may not like the answer The forces of light and dark will fight for the souls of those damned few caught in the middle Enjoy this account of how the first valkyrja was born
