

The background of the book cover is a detailed illustration of a desert landscape. In the foreground, a cowboy on a brown horse is galloping towards the right, holding a long rifle. Behind him, another cowboy on a dark horse is also galloping. To the left, a third cowboy is partially visible, looking back over his shoulder. The ground is sandy with some sparse vegetation, including a large cactus in the lower left and a small palm tree on the right. In the background, there are rolling hills and a cloudy sky.

Edward Joseph Beverly

The Old Timers In The Sangre De Cristos:

Treasure of the Sangre de Cristos Arthur Leon Campa,1994 This collection of tales and traditions from the Southwest includes stories of lost mines stacked with bars of gold mule loads of silver cached away in outlaw hoards and fabulous Jesuit treasures buried when that order was expelled from New Spain Some treasure locations would be rediscovered by chance or by an old map and somehow always lost again But not all these folk treasures are of material wealth There is the story of a nun who loved a soldier and repented and whose kneeling figure may still be seen as a mountain rock formation There is the Hermit of Las Vegas an actual person who after traveling between Argentina and Quebec settled in New Mexico where he became the subject of affectionate legends **The Old-Timers in the Sangre de Cristos** James V.
