Murder in an Irish Garden Carlene O'Connor, 2025-02-25 Everything's coming up roses for garda Siobhán and the rest of the O'Sullivan family in quaint Kilbane County Cork Ireland until a murder investigation blooms out of a deadly gardening competition. While Siobhán studies for her Detective Sergeant exams her brother Eoin prepares for the grand opening of his new restaurant *The O'Sullivan Six* and concocts a plan to enter Kilbane's Top Garden Contest to boost business. But trouble brews when Eoin hires a mercurial landscape designer known for her killer designs. His new partner's unflattering reputation and questionable practices nearly eclipse her talents and plunge the prestigious competition into chaos. A lush and intricate winning garden emerges from the controversy with a spectacular golden statue in the center of the display. But in a devastating twist the work of art leads to the shocking discovery of a bold and brutal work of murder. Everyone in town has an opinion about who committed the crime and planted the evidence from easily bribed sponsors to green with envy gardeners. And with another golden statue found in Eoin's garden display rumors about his involvement intensify. As local gossip buzzes and a list of suspects grows it's up to quick-witted Siobhán and her husband Macdara to suss out the guilty culprit's identity before the competition buries another victim.
