**Between Two Worlds** Robin Judd, 2023-11-15 Facing the harrowing task of rebuilding a life in the wake of the Holocaust many Jewish survivors community and religious leaders and Allied soldiers viewed marriage between Jewish women and military personnel as a way to move forward after unspeakable loss Proponents believed that these unions were more than just a ticket out of war torn Europe they would help the Jewish people repopulate after the attempted annihilation of European Jewry Historian Robin Judd whose grandmother survived the Holocaust and married an American soldier after liberation introduces us to the Jewish women who lived through genocide and went on to wed American Canadian and British military personnel after the war

**Politics of Time** Leszek Koczanowicz, 2008-08-01 What has really happened in Poland since the election of 2005 After such spectacular events as the practice of lustration and the questioning of solidarity with the European Union one has to ask what is the nature of this newly emerging society As with many of the recent developments in former communist countries that seem to be mysterious and irrational the situation and ensuing problems are complex and the answers neither trivial nor

easy This book by the distinguished Polish philosopher addresses these complexities through the role of the communist past in post communist Poland It describes the events that led to the collapse of the Solidarity program and the growing influence of the nationalistic and religious parties in the government The author investigates the nature of social and political temporality and develops a theoretical framework that allows him to apply his conclusions not only to Poland but also to other formerly communist countries

*Marie Corelli, A Romance of Two Worlds* Corelli Marie Corelli, 2019-04-10 A new scholarly edition of a major late Victorian scientific romance novel Marie Corelli's *A Romance of Two Worlds* is regarded as one of the most culturally important Victorian bestsellers This critical edition offers instructive access to this multifaceted but still largely underappreciated novel that is a key text for scholars and students of late Victorian women's writing It also raises urgent questions about a wide array of textual and cultural concerns especially the form and function of the Victorian bestseller Key Features Contains a thorough critical and analytical introduction annotations and appendices Provides context and underlines the aesthetic significance of Corelli's supernatural romance Engages with the full range of secondary scholarship on this neglected late Victorian author

**Between Two Worlds** Zainab Salbi, Laurie Becklund, 2006-08-17 Zainab Salbi was eleven years old when her father was chosen to be Saddam Hussein's personal pilot and her family's life was grafted onto his Her mother the beautiful Alia taught her daughter the skills she needed to survive A plastic smile Saying yes Burying in boxes in her mind the horrors she glimpsed around her Learn to erase your memories she instructed He can read eyes In this richly visual memoir Salbi describes tyranny as she saw it through the eyes of a privileged child a rebellious teenager a violated wife and ultimately a public figure fighting to overcome the skill that once kept her alive silence *Between Two Worlds* is a riveting quest for truth that deepens our understanding of the universal themes of power fear sexual subjugation and the question one generation asks the one before it How could you have let this happen to us

**Beyond Two Worlds** James Joseph Buss, C. Joseph Genetin-Pilawa, 2014-08-21 *Beyond Two Worlds* brings together scholars of Native history and Native American studies to offer fresh insights into the methodological and conceptual significance of the two worlds framework They address the following questions Where did the two worlds framework originate How has it changed over time How does it continue to operate in today's world Most people recognize the language of binaries birthed by the two worlds trope savage and civilized East and West primitive and modern For more than four centuries this lexicon has served as a grammar for settler colonialism While many scholars have chastised this type of terminology in recent years the power behind these words persists With imagination and a critical evaluation of how language politics economics and culture all influence the expectations that we place on one another the contributors to this volume rethink the two worlds trope adding considerably to our understanding of the past and present

*Chaos and Order in the World of the Psyche* Joanne Wieland-Burston, 2015-06-18 I don't know what's the matter with me everything's upside down the whole world seems chaotic Chaos may erupt in our lives in many different ways through death divorce conflict with family friends or colleagues

It is a frightening and negative experience destabilizing the individual and provoking feelings of insecurity Originally published in English in 1992 the author through her work as a Jungian analyst frequently acted as a companion support and guide to those whose lives were in chaotic turmoil She describes how therapy helps people to meet chaos to accept and see it in a different way as a starting point for a new kind of order in their lives This organic order is better suited to their own personal needs and personality and provides the strong and flexible basis necessary to meet the chaos that belongs to life Drawing upon the myths tales and rites of ancient cultures upon modern chaos theory and upon her experience as an analyst the author shows the way through the chaos to a fuller happier and more satisfying life

**The Metaphysics of Sex ...in a Changing World!** Christopher Alan Anderson, 2014-07-16 Is sex metaphysical This is to say does it have a purpose and a nature that is encoded in the very construct of the universe These are the questions the author takes up in this day and age where most everything is up for grabs This writing is not without an examination of sensitive issues and explicit terms Think of it as a third way if you will It resides between the fixed identity of our declining religions and the fluid identity of the emerging L G B T Q movement In that it presents to us all another choice In the end it is about a construct for sexual balance that any reader can understand and use as a guide for his or her life Keywords Metaphysics Sex Relationship Procreation Soul Life Birth Love Desire Healing
