The Osiris Numbers Michael James Quinlan,2010-06-05 The wealthiest nations religions and corporations have colonized the solar system Human combat has been reduced to hand to hand warfare non secular conflict is averted by the threat of elite soldiers For approximately 750 years there has been relative peace and prosperity However science threatens the human species with warfare not across one planet but on a solar system wide scale A plan is devised to stop the experiment but are the conspirators really prepared to resort to genocide using one of the deadliest viruses ever to plague the human species in order to stop it **Damqatum - Number 8 (2012)** Francisco Céntola, Virginia Laporta,2012-12-31 Damqatum is a journal dedicated to the history and archaeology of the Near East oriented to the general public L. C. of Enoch It is a unique and captivating journey that reveals one of the most heretical blasphemous and controversial accounts of creation ever told for both believer and skeptic Within its pages you will learn of the ancient system of mystical symbolism and initiation that was born in the religious temples that ruled the city states of the first civilizations You will also be introduced to the radical 2 000 year old theory from the legendary Library of Alexandria that the true story of our own mysterious origins lays within the system of allegories and mystical symbolism of the mythologies and sacred writings of the ancient world A system that was first created by the professional class of writers known as the scribes in order to conceal and protect the forbidden knowledge of the gods and the secret history of creation itself By using this non traditional approach you will discover how the highly symbolic Dream Vision written by the righteous scribe and mysterious lost prophet of the Bible Enoch is the key to unlocking this ancient system of mystical symbolism and the secret history of humanity It is the same secret that is still hidden within the symbolism of the mysterious esoteric brotherhoods secret societies and hidden orders of the world It is through this exceptional system of mystical symbolism created by the ancient scribes that the origin and true meaning to all the mystical symbols like the pentagram the all seeing eye and the unfinished pyramid are revealed You will also learn the answers to some of the greatest mysteries concerning the biblical story For you will find that the mystical symbolism of the Dream Vision contains the secrets of the Watchers the Giants the great Flood of Noah and so many more mysteries which are uncovered for the first time Not only are the hidden secrets of the Bible uncovered through the mystical symbolism but it will also reveal the greatest secrets of mythology and the ancient world You will understand the secret meaning to the ever famous symbol of the Bull the Twin Brothers of legend and even the monsters of myth like the terrible Hydra You will even learn the real reason why the Great Pyramid was built the real secret of the Pleiades cluster the lost city of Atlantis and the other mysterious lost civilizations of the Ice Age moreover with the conclusive evidence of the terrible cataclysm that befell them all You will also be presented with an entirely new theory on the identity and true origins of the mysterious figures our ancient ancestors worshiped as the gods without invoking ancient aliens or endless religious speculation
