Rosemberg, 2008-06-25 One house Forty strangers Add vodka and stir Every summer scores of Manhattan twentysomethings take part in an annual ritual with a camp like culture distinctly its own the Hamptons sharehouse When Rachel and her two best friends buy their shares for twenty times each of their bank balances they re imagining days filled with lazy suntanning and classy clambakes and nights spent rubbing shoulders with the Olsen twins and other celebrities But once they arrive at 1088 Montauk Highway on Memorial Day weekend they find that the reality falls a bit short What looks like any other million dollar mansion on the outside plays host to drunken escapades explicit nudity hot tub hookups hideous hangovers and juvenile mischief on the inside As housemates jockey for limited bathroom time and beer pong mania takes over the house Rachel finds herself wondering if it s possible to find true love or even just survive the summer in The Hamptons One for the Other Andrew P. Campbell, 2025-06-24 For two thousand years the cross of Christ has been the central point of Christian theologies of salvation However in recent years a variety of theologians such as Rosemary Radford Ruether Rita Nakashima Brock J Denny Weaver and Ren Girard united in their disdain for violence have abandoned any divine sanction or salvific significance for the cross of Christ Instead they frame atonement not in terms of Christ s death but his life formulating atonement theologies that address the need for an ethical concern for the oppressed and powerless Other This volume is dedicated to offering a fair account of their revisions identifying the ethical undertones that lead nonviolent theologians and thinkers to reform atonement theology examining their claims in light of those ethical foundations and exploring P T Forsyth as a viable alternative for contemporary theology *The Lost Hamptons* Steven Petrow, 2004 This collection of vintage postcards portrays the quiet villages white sand beaches historic homes and privet lined lanes that are the essence of Long Island s Hamptons Stunning in their color detail and composition these cards originally photographs depict a place and a way of life that has all but disappeared Filled with the high drama of celebrity the glorious architecture of the time and the quiet splendor of the East End s landscapes and seascapes *The Lost Hamptons* brings back the experience of a world all but swallowed by the march of time The End of the Hamptons Corey Dolgon, 2005-05-01 Winner of the 2005 Book Prize from the Association for Humanist Sociology A portrait of the contentious controversial history of the Manhattan elite s favorite fabled summer playground In this absorbing account of New York s famous vacation playground Corey Dolgon goes beyond the celebrity tales and polo games to tell us the story of this complex and contentious land From the displacement of Native Americans by the Puritans to the first wave of Manhattan elites who built the Summer Colony to the current infusion of telecommuting Manhattanites who now want to live there year round the story of the Hamptons is a vicious cycle of supposed paradise lost Drawing on this fabled land s history *The End of the Hamptons* provides a fascinating portrait of current controversies the Native Americans fighting over land claims and threatening to build a casino the environmental activists
