The Other Mafia:

The Dark Mafia Antonio Nicaso, Marcel Danesi, 2023-03-31 This book explores how organized crime has adapted and evolved in sync with ever expanding technologies to update its popular image and to conduct its covert operations It shows how organized crime operates in dark virtual spaces and how it can now form a dynamic interactive system with legitimate online spaces solidifying its criminal exploits and resources and making them attractive to a new generation of computer users Focusing on Italian Mafias Russian and Georgian criminal groups and drug cartels and Asian crime syndicates such as Yakuza and Triads this book aims to describe and explain the reasons behind the continuity of online and offline crime taking into consideration whether or not internet culture has radically changed the way we perceive organized crime and if so how and thus how the shift in popular imagery that the internet has brought about affects its actual illegal activities We also consider how organized crime has shifted its locale from the physical to the virtual how cybercrime has allowed criminal organizations to adapt and reinvent themselves and how the police now use technology against organized crime To better understand the new generation of criminals it is becoming increasingly urgent to understand the latest technologies and how criminals utilize them The Dark Mafia is an engaging and accessible introduction to understanding virtual organized crime It will appeal to students and scholars of criminology sociology policing and all those interested in the digital age of organized crime

Understanding Mafia Networks Roberto Musotto, 2022-07-15 The Sicilian Mafia is the most famous criminal organisation in the world While its own code of honour rustic chivalry and violence methods have been adopted by other illicit groups very little is known about how the Mafia Cosa Nostra is actually organised and embedded in its territory Who runs the day to day operations What does it take for a Mafioso to raise the ranks and become a boss How can the organisation protect itself and re group after arrests This book explores for the first time the structure of this criminal organisation through the lens of spatial and social network analysis and answers these questions This is done by looking at the relationships of 176 members of the organisation that have been recently involved in building the Cupola the highest ruling and judicial body in the organisation Starting from the arrest warrant that uncovered this criminal

restructuring a method and several alternatives are offered explained and commented on how to analyse and visualise criminal networks The book confirms the assumption that the Sicilian Mafia is a criminal organisation that is deeply rooted in its territory Mafiosi live work and interact only in the remit of their own neighbourhood Bosses are evasive even to their own affiliates and mid level members are in charge of keeping the whole network operational This book is particularly useful to students researchers and law enforcement agencies that look at new ways to understand and disrupt the operations and structure of criminal organisations around the world **Mafia Organizations** Maurizio Catino,2019-02-07 Makes sense of mafias as organizations via a pioneering comparative analysis of seven mafia groups from around the world This collative study of historical accounts official data investigative sources and interviews will aid students and scholars of sociology organizational studies and criminology to better understand how mafias work **Women of the Mafia** Felia Allum,2024-07-15 Women of the Mafia dives into the Neapolitan criminal underworld of the Camorra as seen and lived by the women who inhabit it It tells their life stories and unpacks the gender dynamics by examining their participation as active agents in the organization as leaders managers foot soldiers and enablers Felia Allum shows that these women are true partners in crime The author offers an innovative interdisciplinary analysis that demystifies the notion that the Camorra is a sexist male centric organization She links her analysis of Camorra culture within the wider Neapolitan context to show how mothers and women act and are treated in the private sphere of the household and how the family helps explain the power women have found in the Neapolitan Camorra It is civil society and law enforcement agencies that continue to see the Camorra using traditional gender assumptions which render women irrelevant and lacking independent agency in the criminal underworld In Women of the Mafia Allum debunks these assumptions by revealing the power and influence of women in the Camorra **The Mafia's Good Girl** Aflyingwhale,2024-07-15 Book 4 of The Devil s Price Series Hey I m really sorry he said Let me make it up to you How First with this Parting his lips slightly he aimed for her lips and kissed her in that hot and persuasive way Violet couldn t help but melt into his kiss and sigh softly into the air Hmm that s a good start she murmured Second he said smirking mischievously and he started undressing himself Before she knew it Damon s clothes were all on the floor and he joined her inside the large tub he pulled his shirt to the side and revealed the left side of his chest Next to the scars and bullet wounds Violet saw a freshly made tattoo consisting of three little letters V R C This stands for Violet Rose Carvey the girl that forever has my heart Violet Rose Carvey he said Will you do me the honor of becoming my wife **The Mafia's Consigliere** Juan Manuel Sánchez,2023-01-29 The luxurious lifestyle of a Los Angeles lawyer and his family is about to be turned upside down by one of the most powerful mafia families in New York City Warrent a corrupt philandering New York senator is playing dirty games with Hollywood lawyer Breska At stake is millions of dollars for a movie licensing deal During negotiations the lawyer is paid an unexpected visit from the mob Breska is intimidated into swearing an oath of omert the mafia code of silence and he unwillingly becomes the New York family s consigliere Fearing

Mafiacraft Deborah Puccio-Den,2022-02-09 The Mafia What is the Mafia Something you eat Something you drink I don t know the Mafia I ve never seen it Mafiosi have often reacted this way to questions from journalists and law enforcement Social scientists who study the Mafia usually try to pin down what it really is thus fusing their work with their object In Mafiacraft Deborah Puccio Den undertakes a new form of ethnographic inquiry that focuses not on answering What is the Mafia but on the ontological moral and political effects of posing the question itself Her starting point is that Mafia is not a readily nameable social fact but a problem of thought produced by the absence of words Puccio Den approaches covert activities using a model of Mafiacraft which inverts the logic of witchcraft If witchcraft revolves on the lethal power of speech Mafiacraft depends on the deadly strength of silence How do we write an ethnography of phenomena that cannot be named Puccio Den approaches this task with a fascinating anthropology of silence breaking new ground for the study of the world s most famous criminal organization
