Husband,Jonathan F. Husband,2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series My Sister's Big Fat Indian Wedding Sajni

Patel,2022-04-19 A fresh witty rom com romp set against the backdrop of a high profile music competition and a riotous Indian wedding Zurika Damani is a naturally gifted violinist with a particular love for hip hop beats But when you re part of a big Indian family everyone has expectations and those certainly don t include hip hop violin After being rejected by Juilliard Zuri s last hope is a contest judged by a panel of top tier college scouts The only problem This coveted competition happens to take place during Zuri s sister s extravagant wedding week And Zuri has already been warned repeatedly that she is not to miss a single moment In the midst of the chaos Zuri s mom is in matchmaking mode with the groom s South African cousin Naveen who just happens to be a cocky vocalist set on stealing Zuri s spotlight at the scouting competition Luckily Zuri has a crew of loud and loyal female cousins cheering her on Now all she has to do is to wow the judges for a top spot evade getting caught by her parents resist Naveen s charms and oh yeah not mess up her sister s big fat Indian wedding What could possibly go wrong **The Perfect Daughter** Gillian Linscott,2001-04-20 Verona North had seemed the perfect daughter

She d surprised her friends by leaving her home to attend art school in London but they d thought it was a normal youthful rebellion which wouldn t last very long However when she did return home in the summer of 1914 it was to die pregnant and with her body full of morphine Her cousin Nell Bray isn t wholly convinced she committed suicide and is positive she was not an addict Unable to suppress her curiosity Nell discovers that her cousin was leading a double life on the one hand consorting with a group of Bohemian artists and anarchists and on the other collecting information on the suspected enemies

of the state for the secret service But where did Verona s loyalty lie With her family her friends or her paymasters What did she know that caused one of them to kill her and who was the father of her child *The Mosaic* James Groccia,2013-02-20 There is no available information at this time *Blood on the Wood* Gillian Linscott,2025-09-23 Once again Gillian Linscott guides her delightfully starchy heroine through the politics personalities and perils of early twentieth century England When the suffragette movement is bequeathed a valuable painting by campaigner Philomena Venn suffragette and amateur sleuth Nell Bray agrees to retrieve it The plan is simple Collect the picture from Philomena s widower Oliver take it to Christie s and sell it to raise much needed funds But Nell is in for a surprise when she returns from the Vennes home in the Cotswolds The painting he has given her is a fake When Oliver refuses to hand over the real painting his son political activist Daniel Venn suggests an alternative plan to Nell Why doesn t she break into the house and switch the paintings Against her better judgment she agrees and in the process she uncovers a far more serious crime a brutal murder in which she is now personally embroiled **Dead Man Riding** Gillian Linscott,2025-09-23 After three years of traipsing across Europe with her lovesick widowed mother Nell Bray has finally found her way to Oxford University There she has befriended the beautiful Imogen and the charming Midge When the three girls decide to accept an invitation by their male classmates to join a reading party in the country during vacation accompanied by a dashing philosophy don with a reputation for stirring up trouble they go against what is quickly becoming the obsolete conventions of the nineteenth century Once they arrive in the country they are greeted by the unpleasant fact that their host has been accused of murder when a local boy is missing Rather than return home however the six students and their mentor decide to put down their books and put their intellectual prowess to the test by solving the mystery This combination of mystery and learning with some college crushes and loves along the way makes *Dead Man Riding* Gillian Linscott s best mystery to date **Mystery Women, Volume Three (Revised)** Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and

easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 The Essential Mystery Lists Roger M Sobin,2011-09-30 For the first time in one place Roger M Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented He has also included many of the best of lists by more than fifty of the most important contributors to the genre Mr Sobin spent more than two decades gathering the data and lists in this volume much of that time he used to recheck the accuracy of the material he had collected Several of the best of lists appear here for the first time in book form Several others have been unavailable for a number of years Of special note are Anthony Boucher s Best Picks for the Year Boucher one of the major mystery reviewers of all time reviewed for The San Francisco Chronicle Ellery Queen Mystery Magazine and The New York Times From these resources Mr Sobin created Boucher s Best and Important Lists to Consider lists that provide insight into important writing in the field from 1942 through Boucher s death in 1968 This is a great resource for all mystery readers and collectors Winner of the 2008 Macavity Awards for Best Mystery Nonfiction *The Mystery Readers' Advisory* John Charles,Joanna Morrison,Candace Clark,2002 Three librarians from Scottsdale Arizona provide library staff with an introduction to the mystery genre and offer tips and techniques for providing advice to mystery readers in the library They include some of their own bibliographies but refer readers elsewhere for fuller ones They also include a brief history of the genre to pass on to readers new to it **Protected by the Knight's Proposal** Meriel Fuller,2020-10-01 His ring will protect her And expose his guarded heartWidowed Lady Cecily has a dangerous plan to secure her family s future and their safety A plan that is perfect right until Lachlan of Drummuir discovers it Cecily s sure the honest and brooding warrior will expose her despite their unexpected and powerful chemistry But when she s sent to the king for judgment Lachlan shocks her by offering the ultimate protection his hand in name only Twice Born Margaret Mazzantini,2013 A sweeping portrait of motherhood loss and redemption in war torn Sarajevo **Hell Blade** Peter Meredith,2011-12-21 And he lived happily ever after For just the briefest time Will Jern thought there could be a chance at the perfect fairy tale ending but then he discovers that there is a stranger in his home and that his wife is being held captive by a witch bent on vengeance and who is desperately in need of a soul And she lived happily ever after These are the words that Talitha Jern wishes to be applied to her headstone but it will never happen Heaven is for those whose hands aren t stained with the blood of loved ones it s for those whose ears don t still ring with their screams When her demon was banished back to the Void it left behind the gift that keeps on giving memories Now Talitha can see herself as she murdered and maimed for all those years And soon she can t tell which memories are of her making and which came from the demon it s enough to drive a person crazy And they all lived happily ever after Not for a moment did Katie Jern believe this she knew her family was good and cursed At the age of six she saw the demon and peered with innocent eyes through the gate to Hell
