The Architecture of Downtown Troy Diana S. Waite, 2019-09-01 Tells the forgotten but surprising stories of the many handsome and significant buildings in downtown Troy New York Located about 150 miles north of Manhattan on the east bank of the Hudson River the city of Troy New York was once an industrial giant It led the nation in iron production throughout much of the nineteenth century and its factories turned out bells and cast iron stoves that were sold the world over Its population was both enterprising and civic minded Along with Troy s economic success came the public commercial educational residential and religious buildings to prove it Stores banks churches firehouses and schools both modest and sophisticated sprouted up in the latest architectural styles creating a lively and fashionable downtown Row houses and brownstones for the middle class and the wealthy rivaled those in Brooklyn and Manhattan By the mid twentieth century however Troy had dwindled in both prominence and population Downtown stagnated leaving building facades and interiors untouched often for decades A late blooming urban renewal program demolished many blocks of buildings but preservationists fought back Today reinvestment is accelerating and Troy now boasts what the New York Times has called one of the most perfectly preserved nineteenth century downtowns in the United States This book tells the stories behind the many handsome and significant buildings in downtown Troy and how they were designed and constructed stories that have never been pulled together before For the first time in generations scores of Troy buildings are again linked with their architects some local but others from out of town the starchitects of their day and even from Europe In addition to numerous historic images the book also includes contemporary photographs by local photographer Gary Gold This book will inform delight and surprise readers thereby helping to build an educated constituency for the preservation of an important American

city Diana Waite has labored long to bring us the architectural history of Troy which is said to have one of the most perfectly preserved downtowns in the United States Great architects designed some of the city's impressive buildings Richard Upjohn Leopold Eidlitz Marcus T Reynolds but so did architects fairly early in their careers such as George B Post who did the iconic Flatiron Hall building on First Street and the very visible Troy Savings Bank Music Hall The book is also a wistful tour of the lost past truly magnificent structures and sumptuous interiors that fell to the wrecking ball And here are the stories behind major landmarks such as the Approach staircase up to RPI or down to Troy the struggle to raise a monument at the center of the city to Troy's fallen soldiers from three wars and the complex installation of six major Tiffany windows in St Paul's Episcopal Church The book is abundantly illustrated with maps and written in lively narrative style Ms Waite often quotes newspaper accounts of construction as it was happening which vivifies her history William Kennedy Urban economist Edward L Glaeser proclaims cities the triumph of humanity both the ultimate expression of human culture and the engine that has propelled human progress In this insightful and beautifully illustrated book Diana Waite tells the story of one exceptional mostly nineteenth century example Troy New York Troy is a rare gem largely unspoiled by the forces that turned so many of America's towns into wastelands of asphalt As architects planners and policymakers struggle to define a twenty first century world that kicks the habits of our fossil fuel addicted modernity that rediscovers how to make places for people that builds strong communities studying places like Troy takes on entirely new relevance The Architecture of Downtown Troy paints a picture of the evolution of a historic town that provides valuable lessons for building the world of tomorrow Carl Elefante 2018 President The American Institute of Architects Diana Waite's history of Troy's downtown buildings describes the importance and diversity of this city's distinctive architecture Her clear narrative of Troy's nineteenth century growth fires early twentieth century expansion and its engagement of nationally recognized architects is excellent and supported by voluminous photographs Troy is fortunate that twentieth century urban renewal occurred in a corner of the central business district leaving intact so much of the city's well designed commercial educational and residential buildings This new book presents an accurate readable and cohesive history of Troy It is a must read Matthew Bender IV The pleasure of Troy isn't discovering a single old building but finding yourself lost among dozens of them You may feel as if it were 1880 and you were strolling home to Washington Park perhaps just for a change of collar New York Times *Explorer's Guide Rhode Island (Sixth Edition)* Phyllis Méras, Katherine Imbrie, 2012-06-04 An totally updated and revised edition to the most thorough guide to the Ocean State Diminutive Rhode Island offers great diversity Explore more than 400 miles of sandy beaches and rocky headlands the splendid historic mansions of Newport and the fine restaurants of Providence's Federal Hill enjoy the tranquil beauty of Block Island and fascinating museums and historic sites Veteran travel writers Méras and Imbrie capture it all in this revised and expanded edition **A Walk Through the American Wing** Metropolitan Museum of Art (New York, N.Y.).
