Sixguns And Saddle Leather A Bibliography Of Books And Pamphlets On Western Outlaws And Gunmen:

Six-guns & Saddle Leather University of Oklahoma Press,1959 *Six-Guns and Saddle Leather* Ramon Frederick Adams,1998-02-25 Authoritative guide to everything in print about lawmen and the lawless from Billy the Kid to the painted ladies of frontier cow towns Nearly 2 500 entries taken from newspapers court records and more *Six-guns and Saddle Leather* Ramon Frederick Adams,1969 **Six-Guns & Saddle Leather. A Bibliography of Books and Pamphlets on Western Outlaws and Gunmen. Compiled by R.F. Adams. [With Illustrations.]**. Ramon Frederick ADAMS,1954 *Six Guns and Saddle Leather ... Western Outlaws and Gunmen* Ramon Frederick Adams,1969 *Burs Under the Saddle* Ramon Frederick Adams,1989 This immense book by a noted bibliographer of the West is beyond question the fairest most complete and most learned evaluation of printed references to western outlaws to appear until now It will stand for many years solid as a rock amid the flooding maelstrom of western myth and legend pointing up the truth about those men of the past who lived by their wits and their guns It will be impossible for anyone studying that era and such men to do so without reference to this volume Los Angeles Times Adams turns again to the books and histories of the western gunmen and outlaws and critically examines 425 titles most of which rate as burs under his saddle Ramon Adams plea is that the writers must stop compounding each other's errors into legend In this book with great skill and without malice he has pointed out past mistakes His book should be in the essential baggage of every writer on western outlaws and on every library shelf American West The value of this book to writers and historians of the badman tradition cannot be overestimated for Adams has replaced rumors myths and falsehoods with documented historical facts It is a book for all conscientious students of and writers on the American West henceforth any writer of authentic Western history who refuses to check with Adams should be as the judge said to Billy the Kid in one legend hanged by the neck until dead dead dead Southwest Review *Six-guns and Saddle Leather; a Bibliography.....*, **Deadly Dozen** Robert K. DeArment,2012-11-09 For every Wild Bill Hickok or Billy the Kid there was another western gunfighter just as deadly but not as well known Robert K DeArment has earned a reputation as the premier researcher of unknown gunfighters and here he offers twelve more portraits of men who weren't glorified in legend but were just as notorious in their day Those who think they already know all about Old West gunfighters will be amazed at this new collection Here are men like Porter Stockton the Texas terror who bragged that he had killed eighteen men and Jim Levy who killed a man for disparaging his Irish blood though he was also the only known Jewish gunfighter These stories span eight decades from the gold rushes of the 1850s to the 1920s Telling of gunmen such as Jim Masterson the brother of Bat Masterson or the real Whispering Smith the man behind the fictionalized persona whose career spanned four decades DeArment conscientiously separates fact from fiction to reconstruct lives all the more amazing for having remained unknown for so long The product of iron clad research this newest Deadly Dozen delivers the goods for gunfighter buffs in search of something different Together the Deadly Dozen volumes constitute a Who's Who of western

outlaws and prove that there's more to the Wild West than Jesse James **Encyclopedia Of Western Lawmen and Outlaws** Jay Robert Nash, 1994-08-22 With over 1000 entries and 400 illustrations this volume is the most fact packed history of the West ever assembled Crime historian extraordinaire Jay Robert Nash has left no stone unturned in his search for the gunmen train robbers gangs desperadoes range warriors gamblers and lawmen that roamed the frontier Contrary to popular myth the Wild West was not a glamorous land where chivalry and courage were the custom and a man died with his boots on It was a land of incredible hardships brutal weather hunger and disease and the constant threat of violent death Everyone carried a six shooter neutrality was impossible and violence unavoidable lawmen and outlaws lived side by side and often there was no telling one from the other Into this land came pioneers lured by promises of great fortunes ex Confederate soldiers embittered by the outcome of the war greedy cattle barons and merchant princes It was truly an explosive mixture Included in this volume are all the great Western legends Billy the Kid Jesse and Frank James Butch Cassidy the Sundance Kid Wyatt Earp Doc Holliday Judge Roy Bean Wild Bill Hickock and a host of lesser known figures who though they may have missed notoriety were equally lethal And while the West was very much a man's world several women managed to shoot steal or gamble their way to fame including Belle Starr Pearl Hart and Calamity Jane A compelling read Encyclopedia of Western Lawmen Outlaws will be the standard reference for years to come In addition to alphabetical listings it offers a glossary of lawmen and a glossary of outlaws a magnificent photo and illustration appendix and an extensive bibliography of books on the American West *Outlaws and Gunfighters of the Old West* Phillip W. Steele, 1998-06 Whoa pardner Sit y self down for some good ole storytellin bout the wild wild West Western writer Phillip W Steele and country music artist John D LeVan have combined their talents and interests in true stories of the Old West in this exciting narrative and accompanying audiocassette Steele's book tells the true story of Jesse James the Daltons John Wesley Hardin Gunfight at the OK Corral Belle Starr and Billy the Kid LeVan's original songs are not only entertaining but also based on the true history of these personalities and events *Trail Dust and Saddle Leather* Jo Mora, 1949 **Trail Dust and Saddle Leather**, 1946

Encyclopedia of Western Lawmen & Outlaws ,2010
