Small Christian Communities Vision And Practicalities:

Small Christian Communities James O'Halloran, 2002 Insights and suggestions on the vision and practicalities of small Christian communities *Small Christian Communities Today* Joseph G. Healey, Jeanne Hinton, 2005 How can churches in America modeling the oldest Christian communities renew themselves from within They can look to examples of thriving small Christian communities within their own country and throughout the world This inspiring book shows what is happening now across six continents to give pastors and lay leaders of every denomination encouragement through useable examples from their counterparts around the world *Small Christian Communities* Thomas A. Kleissler, Margo A. LeBert, Mary C. McGuinness, 2003 This revised and updated edition of Small Christian Communities A Vision of Hope for the 21st Century is a rich source of practical information about how to make the vision of the parish as a community of many small communities come alive y *Living Cells* James O'Halloran, 2010 Vision and practicalities of small Christian communities and groups

The Church as the Family of God and the Care for Creation Khisi, Maximian, 2019-02-19 Of late there has grown in African Catholicism the concept of Church as the Family of God Familia Dei which has enhanced greater social cohesion among the members of the Church and strengthened interpersonal relationships among them This book is an endeavour to offer a path towards the solution of the problem of environmental crisis through the theological discipline of ecclesiology Using the Catholic Archdiocese of Lilongwe's understanding of Church as the Family of God the book concludes that the application of the concept of Church as family of God while bringing great social cohesion among the people failed to extend to human relationships with the natural world in fact It has broadened the human feeling of superiority over the natural environment The book provides an ecclesiological complementarity which promotes a universal fraternity among people and the natural world and recommends an ecclesiological concept of Church as New Creation Nova creatio This would serve as a call for human beings to make a new ecological conversion leading new lifestyles change in their models of nature worldviews and change in the models of production and consumption The Way of the Sea Roald Kverndal, 2008-01-01 The sea has been both a source of bounty and a bridge of communication through the ages The Way of the Sea explores the unique role of seafarers in promoting the revealed plan of the Creator and Redeemer of both land and sea As a follow up to The Seamen's Mission Kverndal's comprehensive survey of maritime mission presents both historical and current perspectives While The Way of the Sea provides a much needed tool for the developing field of maritime Missiology people from all walks of life will learn from the rich history and culture of kingdom minded seafarers *The New Evangelization*, 2015-02-26 The Second Vatican Council endorsed an engagement with the modern and secularized world through a renewed proclamation of the Gospel John Paul II described this as the New Evangelization and in 2010 Benedict XVI confirmed this priority by creating the Pontifical Council for Promoting the New Evangelization to re propose the perennial truth of the Gospel The New Evangelization was the subject of the Synod of Bishops in 2012 and in 2014 Pope Francis gave his

reflections on the topic in *Evangelii Gaudium* The New Evangelization draws on material presented and discussed at the conference Vatican II 50 Years On The New Evangelization organised by Leeds Trinity University on 26-29th June 2012 Part I traces the historical and theological links between the Council and the New Evangelization Part II examines the renewed understanding of the Church as a result of the Council and the extent to which it is shaped by civilization Part III analyzes the nature of the New Evangelization and its outworking in today's multifarious context of cultures, religions and societies Part IV deals with the implementation of the New Evangelization by different communities and organizations and the issues this raises In the Introduction and Conclusion the editors reflect on the New Evangelization in the light of significant developments since 2012

Hermeneutics and Empirical Research in Practical Theology Chris Hermans, Mary Moore, 2021-09-20 There is a growing consensus among scholars in different countries about the object of practical theology Hans van der Ven has contributed much to this consensus through his writings on the foundations of practical theology the empirical paradigm within practical theology and specific subdisciplines within practical theology especially religious education moral education church development and ministry At the center of this growing consensus is an understanding of the independent hermeneutical role of religious experiences and practices of people in the process of theological theory building If contemporary religious experiences and practices have a critical role with regard to religious tradition and the ministry of this tradition then practical theology cannot just be a form of applied theology The contributors of this volume focus on this hermeneutical core foundations of practical theology and on empirical research as a research method within practical theology in the work of Van der Ven

The Wiley Blackwell Companion to Practical Theology Bonnie J. Miller-McLemore, 2014-01-07 Through a series of essays contributed by leading experts in the field *The Wiley Blackwell Companion to Practical Theology* presents an introduction to practical theology as a major area of Christian study and practice including an overview of its key developments themes methods and future directions The first comprehensive reference work to provide a survey description and analysis of practical theology as an area of study A range of leading scholars in the field provide original contributions on the major areas issues and figures in practical theology Reviews an extensive range of methods for studying theology in practice along with sub disciplines in theological education such as

pastoral care and preaching Covers developments in the discipline in a range of global contexts and distinct Christian traditions Shows how practical theology is relevant to everyday life **Small Christian Communities** Robert S. Pelton,1997 The editor of this collection is a member of the ETHS class of 1939 Remember José Inga! James O'Halloran,2004 Remember Jose Inga is a novel based in South America in the turbulent decade of the 1970s It was paradoxically a time of hope and a time of despair A time of hope because in the wake of the Medellin Conference a church that had traditionally sided with the powerful was now taking its stand with the little ones A time of despair because brutal military dictatorships reacted violently to the new alliance The dictatorships were supported by oligarchies at home and neo colonial powers from abroad This oppression from abroad has reached crisis point at present but it was already going on if not quite so blatantly in decades past This moving story follows the fortunes of ordinary folk Indians priests Campesinos trapped in the web of history A small decision in the life of the indigenous Jose Inga leads to consequences that are great and impacted the lives of many in ways he could not have dreamt of **Building Community** James O'Halloran,2011 A book that urges the nurturing of local community in the face of economic and political collapse Routledge Companion to Christianity in Africa Elias Kifon Bongmba,2015-12-22 The Routledge Companion to Christianity in Africa offers a multi disciplinary analysis of the Christian tradition across the African continent and throughout a long historical span The volume offers historical and thematic essays tracing the introduction of Christianity in Africa as well as its growth developments and effects including the lived experience of African Christians Individual chapters address the themes of Christianity and gender the development of African initiated churches the growth of Pentecostalism and the influence of Christianity on issues of sexuality music and public health This comprehensive volume will serve as a valuable overview and reference work for students and researchers worldwide **Christian Community in History** Roger Haight,2004 E F G H I J K L M N O P Q R S T U V W Y Z *Creating the Evangelizing Parish* Frank P. DeSiano,Kenneth Boyack,1993 Creating the Evangelizing Parish challenges those who realize the importance of evangelization and are eager to make an impact on Catholic Church life today Co authors Frank DeSiano and Kenneth Boyack clearly explain the definition of evangelization and offer for further clarification an encounter model of evangelization which specifically places the ministry into the framework of personal relationships The authors then describe actual parish dynamics and organization in terms of their universal evangelizing purposes as understood by the church Creating the Evangelizing Parish is key reading for church leaders who want to take charge of their parishes direction establish evangelization teams and implement effective parish strategies for renewal Every pastor pastoral staff member parish counselor and other workers in evangelization will gladly welcome this book as a pastoral and practical resource for their ministry Creating the Evangelizing Parish will richly reward those who look for new directions in their ministry and the church BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Do Small Groups Work?* Anna Creedon,2021-05-31 Engaging with the Bible in a small group context has

the potential to be transformative but the picture is not without some complications Key factors in determining whether a small group can be transformed through scripture include the use or abuse of experts the opportunity for challenge in the group and how study materials are used Do Small Groups Work not only presents extensive research into these questions with the potential to transform practice but also offers a unique window into how practical theological research can productively encounter scripture

Small Groups, Big Impact Jim Egli, Dwight Marable, 2014-03-12 Why do some small groups thrive and grow while others struggle and falter The authors have surveyed over 3000 group leaders in more than 200 churches Their findings will place practical applicable principles into the hands of small group leaders and pastors This book also includes access to additional resources from the author s website
