**Click** Jake Knapp, 2025-04-22. From the New York Times bestselling authors of *Sprint*, a guide for starting big projects the smart way based on firsthand experience with more than three hundred new products and businesses. Every big project, whether it's creating new technology, developing a fresh line of sneakers, or opening a neighborhood café, requires a major investment to get off the ground. Unfortunately, most big projects flop with customers. Too many teams waste time, money, and opportunity because they follow the wrong strategy and lose sight of what really matters. Do people want what you're making? Does your solution click with customers? Jake Knapp and John Zeratsky, two brilliant product designers who spent years at Google Ventures and elsewhere before founding a venture capital firm together, have helped hundreds of teams bring new products and services into the world. As designers and investors, they have a front-row seat to some of the world's most successful startups. *Click* introduces the Foundation Sprint, a proven system for starting projects the right way to make better decisions and move quickly toward a solution. Inside are ten important lessons, a step-by-step playbook for the Foundation Sprint, and memorable stories from Nike, Google, Slack, and the frontiers of artificial intelligence research. Building on their bestselling book *Sprint*, Knapp and Zeratsky introduce new recipes that teams can use to quickly and confidently start projects.
