The Smart Woman's Guide to Property Law Carla Spivack,2020-04-08 The income gap between women and men has gotten lots of attention in the last few decades today women earn seventy nine cents for every dollar men earn But fewer people are aware of the much more serious wealth gap for every dollar in wealth men own women own thirty two cents Thirty two cents Wealth matters Wealth is what gives us a financial safety net when we lose our jobs break up a relationship or divorce we or our dependents become sick or when we are hit by some other financial crisis It enables us to build security to give our children a future and to retire It is passed from generation to generation allowing wealthy families to stay wealthy over time Wealth can generate income whether through investments in the financial markets or real estate or through funding a startup business and more Significant wealth even allows us to influence our world by allowing us to contribute to political campaigns and policy initiatives For these reasons wealth is a better indicator of financial status than income it reveals who is secure and influential and who is not By treating women and men equally without recognizing the gross social and economic advantages that differentiate us the law perpetuates the wealth gap Here Carla Spivack takes readers through a tour of a woman s life stages and the property laws that may apply and hinder their financial independence From living together to marriage from divorce to inheritance the circumstances invite unfair treatment that leaves women out in the cold Understanding how to protect your assets fight for what is fair and increase financial security is increasingly important as the wage gap continues to flourish Readers will learn about the laws that work against them and how to protect themselves regardless of their relationship status For all women of all ages here is your guide to keeping your wealth not matter how your relationship fares

Smart Woman's Guide to Bitcoin Rachelle Ayala,2021-06-05 Have you wondered what the big deal is in Bitcoin Like you I was too busy working and raising a family to figure out Bitcoin It felt like the domain of digital cowboys gamers and boys with supercomputers in their basements Yet as time went on and Bitcoin s tremendous growth has made millionaires on the upside and bald men on the downside I decided to look into it mostly out of fear of missing out If Bitcoin is truly the future of money and it lives up to its promise as a non inflating currency then I want to not only get in on the action but to understand the mathematics economics and culture behind it This book is for the busy woman who wants to discover Bitcoin and understand enough of its mathematics and technology in order to gain conviction on how she ll relate to Bitcoin You will learn about sound and unsound money and why Bitcoin can never be inflated You will understand the way Bitcoin is created and why it is stronger and more secure than other cryptocurrencies You will get an introduction on ways to invite Bitcoin into your life exchanges wallets payment systems affiliate rewards and tax considerations You will also get a

dose of Bitcoin FUD fear uncertainty and doubt and explore reasons why Bitcoin might not be the right date for you Finally you will be treated to a short list of influential women in the Bitcoin space to inspire you and let you know what can be done with Bitcoin to make the world a more equitable and inclusive place Is Bitcoin the future of money or false hope for a cult of fanatics Decide for yourself and may the coin always bounce in your favor
