Wylie,1974-01-01 Theory and Research on Selected topics In this book we are provided with careful critical and lucid discussions of such topics as the relationship between race sex socioeconomic status age and self concept    *Good in Bed* Jennifer Weiner,2002-04-02 1 New York Times bestselling author Jennifer Weiner brings to life an irresistibly funny and relatable heroine in the novel The Boston Globe called funny fanciful

extremely poignant and rich with insight For twenty eight years things have been tripping along nicely for Cannie Shapiro Sure her mother has come charging out of the closet and her father has long since dropped out of her world But she loves her friends her rat terrier Nifkin and her job as pop culture reporter for The Philadelphia Examiner She s even made a tenuous peace with her plus size body But the day she opens up a national women s magazine and sees the words Loving a Larger Woman above her ex boyfriend s byline Cannie is plunged into misery and the most amazing year of her life From Philadelphia to Hollywood and back home again she charts a new course for herself mourning her losses facing her past and figuring out who she is and who she can become     *The Genteel Tradition and the Sacred Rage* Robert Dawidoff,2000-11-09

Asking why many American intellectuals have had such difficulty accepting wholeheartedly the cultural dimensions of democracy Robert Dawidoff examines their alienation and ambivalence a tradition of detachment he identifies as Tocquevillian In the work of three towering American literary figures Henry Adams Henry James and George Santayana Dawidoff explores fully this distancing and uneasy response to democratic culture Linked together by common Harvard Cambridge and New England connections and by an upper class Brahmin background each of these three writers Dawidoff argues was at once self critical and contemptuous of cultural democracy especially its indifference to them and what they represented But their claims to detached observation of democratic culture must be viewed skeptically Dawidoff warns and borrowed with caution An important contribution of the book is its integration of gay issues into American intellectual history Viewing James s and Santayana s attitudes toward their homosexuality as affecting their views of American society Dawidoff examines this significant and overlooked element in the American intellectual and cultural mix Dawidoff also includes powerful new readings of Adams s Democracy and James s The Ambassadors and discusses Santayana s Americanist essays In his foreward Alan Trachtenberg notes the taboo that seems to have fallen over the word democracy It is rarely encountered anymore in humanistic studies he says snubbed in favor of gender class race region This trend he says may be in part due to an unease about studying the culture in which we participate because the posture of the cultural critic implies a certain detachment The Genteel Tradition and the Sacred Rage returns the question of democracy to centerstage he concludes not as political theory alone but as cultural and personal experience Originally published in 1992 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value     [Balance in Action](#) Melissa Gray,2018-08-13 Have you ever wondered why life can feel out of balance Why the same issues continue to defeat you Or why you can be going along fine one minute and then in the next you feel knocked off course Balance in Action will lead you on a journey in mind body and soul into a place of discovery and freedom where these questions will be answered By focusing on each of these key aspects of life you will identify where you are out of balance and how to fix it We were created mind
