International Symposium on World Ecological Design Fangtian Ying, Ran Wan, Qun Wu, 2024-04-15 With the world facing increasingly serious global climate change and resource scarcity issues ecology and the environment have received much attention in recent years As a major factor in human activity design plays an important part in protecting the environment as does the role of digital technology in finding solutions to the pressing problems faced in this regard This book presents the proceedings of ISWED2023 the International Symposium on World Ecological Design held on 17 December 2023 in Guangzhou China Sponsored by the World Eco Design Conference a UN Consultative NGO the conference provides a platform for professionals and researchers from industry and academia to present and discuss recent advances in the field of ecological design This year the conference focused on the four topics of digital technology and health digital technology and transportation digital technology and energy and digital technology and the environment A total of 518 submissions on these topics were received for the conference of which 125 were accepted for presentation and publication here Providing a current overview of research and innovation in ecological design around the world the book will be of interest to all those working in the fields of ecological design and digital technology integration InfoWorld ,1996-07-08 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects *Doctor Benjamin Franklin's Dream America* Damien Lincoln Ober, 2018-01-02 Gore Vidal's Burr meets Neal Stephenson's Snow Crash in this blazingly original alt history that weaves twenty first century technology into a saddle punk retelling of the American Revolution It is 1777 in a colonial America where the internet social media and ubiquitous electronic communications are fully woven into the fabric of society Hours after a top secret Congressional sub committee uploads the Articles of Confederation a mysterious internet plague breaks loose in the cloud killing any user who accesses a networked device Seven in ten Americans are dead the internet is abandoned Seizing the moment the British take control of New York and Philadelphia scattering what little remains of the rebellion Just when all seems lost George Washington reappears from off the grid to pin the British army at Yorktown Independence is won but with the countryside in ruins and

internet commerce impossible the former colonies teeter on the brink of collapse Meeting in secret a faction of the Founding Fathers code a new error proof operating system designed to stabilize the cloud and ensure everlasting American prosperity Not everyone is happy with the new format Believing the draconian regulations of the new OS a betrayal of the hard fought revolution Thomas Jefferson organizes a feisty small government opposition to fight the overreach of Washington s Federalist administration Their most valuable weapon is Doctor Benjamin Franklin s Dream America a new open source social networking portal which will revolutionize representative government return power to the people and make Congress and the Presidency irrelevant
