Gilbert Parker

The Forgotten Liars:

The Liar Martin A. Hansen, 2023-04-04 Delicately attuned to the complexities of both the natural world and human psychology this potent classic of twentieth century Danish literature is narrated by an isolated schoolteacher stuck in a mire of loneliness deception and spiritual despair One of the greatest works of modern Scandinavian fiction *The Liar* tells the story of Johannes Lye a teacher and parish clerk on tiny Sand Island off the coast of Denmark a place that in winter is entirely cut off from the world at large by ice It is winter when the book begins and for years now Johannes has lived alone even as he nurses a secret passion for Annemari a former pupil Annemari is engaged to a local man Olaf who has left the island but is due to return come spring She is also being courted by a young engineer from the mainland Such are the chief players in a compact drama recorded in Johannes's ironic self-lacerating and anything but reliable diary Martin A Hansen's novel beautifully evokes the stark landscape of Sand Island and the immemorial circuit of the seasons as well as the mysterious passage of time in the human heart all the while proceeding to a supremely suspenseful conclusion *King Liar* Dale

Anthony, 2013-07-22 **A Liar's Twisted Tongue** Caroline Cusanelli, Her power will kill her If he doesn't first Desdemona Althenia has spent her life in the shadows hiding the volatile magic that could kill her if it's ever unleashed Born into the lowest ranks of society she's survived by her wits and her willingness to deceive But when fate traps her within the brutal walls of Visnatus Academy it also offers a dangerous chance power for the first time within reach Prince Lucian Aibek lives beneath the weight of a rotting empire and the ruthless grip of a corrupt family regime Desdemona's untamed fire could be the key to his freedom and her chance to master the magic that might consume her But as their fates entwine the line between ally and enemy blurs and they're caught in a deadly game of ambition and desire where trust becomes more treacherous than the magic they wield As an ancient society stirs Desdemona and Lucian are forced to confront the ghosts of a war that never truly ended Caught between survival and surrender they must gamble everything let their connection bring them to ruin or become their only hope of redemption *The Liar School of Herodotos* W.K. Pritchett, 1993-01-01 Professor

Pritchett questioning the patronizing and dismissive tone which a group of scholars has reserved for Herodotos devotes his attention to four works of the past decade which have to do with Herodotos source citations his epigraphical listings his record for Scythia and the treatment of the topography of Thermopylai by a geomorphological survey team as well as some miscellaneous writings His procedure is to take up passage by passage the examples where Herodotos has been charged with falsification in an effort to show that there exists in the literature evidence which mutes the allegations He concludes with sections on a general appraisal of Herodotos by specialists and a discussion of Herodotos audience The monograph is of general interest to students of Greek historiography There is an index of the Herodotean passages which are scrutinized

God's Liar Thom Satterlee, 2020-01-22 The year is 1665 England is in the midst of the Restoration and John Milton a blind politically and religiously marginalized writer associated with Oliver Cromwell's failed attempt to form a republic has not yet

published *Paradise Lost* When one of the worst plagues in history descends upon London he and his much younger wife are forced to flee to the countryside There Milton is befriended by the local curate Rev Theodore Wesson who knows nothing about Milton's controversial past or the dangers of associating with him Soon their fates become intertwined when the curate's hopes for advancement are threatened by his relationship to the notorious traitor and king killer John Milton The situation tests Wesson's loyalty to the monarchy to friendship to a church career while complicating his already blurry sense of God's involvement in human affairs For Milton the cost is potentially even greater the target of assassination attempts since the restoration of the monarchy five years earlier he has real reason to fear for his life A riveting and briskly paced novel that transports the reader to a very particular place and time even as its themes resonate with our own time Thom Satterlee's *God's Liar* will take its place next to works as varied as Hilary Mantel's *Wolf Hall* and Colm Toibin's *The Master* **Index to the Periodicals**, 1900 [Index to the Periodicals of 1890-1902](#) The Review of reviews, 1900 **Liar, Dreamer, Thief** Maria Dong, 2023-01-10 A young woman's carefully constructed fantasy world implodes in this brilliantly conceived novel that blurs distinctions between right and wrong comedy and tragedy imagination and reality Surreal filled with technicolor lies and terrible truths Alix E Harrow New York Times bestselling and Hugo award winning author Most Anticipated by CrimeReads Good Housekeeping BookRiot Goodreads Bookish OverDrive Aardvark Book Club pick Good Housekeeping Must Read Book of 2023 Katrina Kim may be broke the black sheep of her family and slightly unhinged but she isn't a stalker Her obsession with her co worker Kurt is just one of many coping mechanisms like her constant shape and number rituals or the way scenes from her favorite children's book bleed into her vision whenever she feels anxious or stressed But when Katrina finds a cryptic message from Kurt that implies he's aware of her surveillance her tenuous hold on a normal life crumbles Driven by compulsion she enacts the most powerful ritual she has to reclaim control a midnight visit to the Cayatoga Bridge and arrives just in time to witness Kurt's suicide Before he jumps he slams her with a devastating accusation his death is all her fault Horrified Katrina combs through the clues she's collected about Kurt over the last three years but each revelation uncovers a menacing truth for every moment she was watching him he was watching her And the past she thought she'd left behind It's been following her more closely than she ever could have imagined A gripping page turner as well as a sensitive exploration of mental health *Liar Dreamer Thief* is an intimate portrayal of life in all its complexities and the dangers inherent in unveiling people's most closely guarded secrets Includes a Reading Group Guide [The Perfect Liar](#) Brenda Novak, 2017-03-27 Obsession leads to lies When air force captain Luke Trussell opens his door one Sunday morning he's shocked to find the police and even more shocked when they charge him with rape He knows he made a mistake in judgment the night before but he certainly didn't force his attentions on the woman who's been stalking him for months Problem is Karina Harter has the bruises and the DNA evidence to make her claim convincing And lies can lead to murder Determined to isolate Luke Karina goes to victims rights advocate Ava Bixby of *The Last Stand* hoping Ava will help put Luke behind bars

But Ava soon realizes she's defending the wrong victim Problem is switching her support to Luke could be dangerous especially when she falls for him Because Karina won't tolerate losing the man she wants to anyone Least of all Ava
