The Freedom Doctrine Robert R. Carkhuff, Bernard G. Berenson, 2003
Carkhuff, Bernard Berenson, 2005-09 Managing the Knowledge Culture Philip Robert Harris, 2005
Managing the Knowledge Culture expertly explores how to overcome one of the biggest challenges 21st century leaders and their followers face functioning effectively in a knowledge culture The thoroughly up to date book will deepen your understanding of the knowledge culture and its management and clearly detail the changing roles For human resource professionals or managers who wants to be on the leading edge of knowledge management this realistic resource is a must *Research Handbook on Third World Approaches to International Law (TWAIL)* Antony Anghie, B. S. Chimni, Michael Fakhri, Karin Mickelson, Vasuki Nesiah, 2025-10-07 This Research Handbook provides a comprehensive overview of Third World Approaches to International Law TWAIL with chapters exploring different facets of TWAIL scholarship It covers major doctrines and topics of international law as well as TWAIL perspectives on central historical and theoretical debates *John Paul II and World Politics* Ugo Colombo Sacco, 1999 One of the few works done recently on the international position of the Holy See Drawn from a series of lectures given by Colombo Sacco an Italian diplomat at the University of Milan and at the Catholic University of Leuven the book examines the first twenty years of Pope Wojtyla s pontificate highlighting the Vatican s increasing involvement in international politics Thus it illustrates Karol Wojtyla s thought in this field and his guidelines for the development of international law human rights the rights of peoples and nations the right of humanitarian intervention development cooperation The volume is completed by an essential bibliography and a selection of primary sources

Sound the Trumpet Lawrence J. Haas, 2012-06-19 In *Sound the Trumpet* Lawrence J Haas examines the effort by America s leaders and its people its government and private institutions to use the force of our ideals the strength of our economy the power of our military and the influence of our culture to advance freedom and democracy around the world Focused on the period since World War II when human rights promotion became a central feature of U S foreign policy Haas explores what Presidents and Congresses have done the tools they have used the results they have achieved and the obstacles that have stood in their way Writing in a concise accessible style that will engage all readers interested in U S foreign policy he tells a story of dramatic success that is somewhat offset by tragic errors and missed opportunities of idealism and its practical limits of clashes between America s long term goal of advancing freedom and democracy and such short term goals as protecting national security ensuring regional stability and guaranteeing access to natural resources Most strikingly this story demonstrates America s unique and enduring power to shape the course of history and make the world a safer more prosperous place Haas argues forcefully that for all of our missed opportunities and tragic errors the world is a better place because of our efforts *The Poseidon Project* David Bosco, 2022 In *The Poseidon Project* David Bosco tells the story of how rulers merchants navies environmentalists and activists have struggled to craft rules for the

oceans From the Dutch challenge to the Portuguese in the 17th century to the current turmoil in the South China Sea it tracks the tension between efforts to control maritime space and the idea that the oceans should be unowned and open to all

Religion Between Governance and Freedoms Olga Breskaya,Roger Finke,Giuseppe Giordan,2024-10-22 This edited volume proffers a sociological outlook on the challenges contemporary societies face when states attempt to govern religious and cultural diversity and still protect freedoms of and from religion claimed by individuals communities and institutions The collection of chapters brings readers into both theoretical discussions and empirical research It illustrates how the promise of religious freedom has become a burgeoning social issue at the center of struggles over equity inclusion and cohesion in both public institutions and everyday interactions The book is divided into three parts the state s legal and political mechanisms governing religious freedom the challenges of religious pluralism for public institutions and global communities social perceptions of religious freedom as an indicator and criterion of human rights culture in society An international group of authors provide reviews case studies and data driven research for students researchers and practitioners working in the sociology of religion

US Foreign Policy in a Challenging World Marco Clementi,Matteo Dian,Barbara Pisciotto,2017-07-18 This book examines how the US is dealing with the challenge of reconciling its global interests with regional dynamics and how it is able to produce and sustain order at the system level and within regional subsystems The book comprises four parts the first of which addresses global issues such as nonproliferation trade and freedom of the seas US policies in these areas are carefully analyzed considering whether and how they have been differently implemented at the regional level The remaining parts of the book focus on the US posture toward specific regions Europe the Middle East and East Asia The policies adopted by the US to confront the most relevant challenges in each region are identified and the ways in which policies in a specific region influence or are influenced by challenges in another region are explored The book is a rich source of knowledge on the nature of the balance that the US has pursued between global and regional interests It will be of much interest to scholars to practitioners to postgraduate PhD students of international relations theory and American foreign policy and to all with an interest in the ability of the US to produce international order
