Donald Sassoon

The French Democratic Left 1963 1969:

The French democratic Left, 1963-1969 Frank Lee Wilson, 1971 *The Long March of the French Left* R.W. Johnson, 1981-03-19 *The Crisis of Social Democratic Trade Unionism in Western Europe* Martin Upchurch, Graham Taylor, 2016-03-16 There is a developing crisis of social democratic trade unionism in Western Europe this volume outlines the crisis and examines the emerging alternatives The authors define social democratic trade unionism and its associated party union nexus and explain how this traditional model has been threatened by social democracy's accommodation to neo liberal restructuring and public service reform Examining the experience of Sweden Germany Britain and France the volume explores the historical rise and fall of social democratic trade unionism in each of these countries and probes the policy and practice of the European Trade Union Confederation The authors critically examine the possibilities for a revival of social democratic unionism in terms of strategic policy and identity offering suggestions for an alternative radicalized political unionism The research value of the book is highlighted by its focus on contemporary developments and its authors intimate knowledge of the chosen countries *The Left's Dirty Job* W. Rand Smith, 2010-06-15 The Left's Dirty Job compares the experiences of recent socialist governments in France and Spain examining how the governments of Francois Mitterrand 1981 1995 and Felipe Gonzalez 1982 1996 provide a key test of whether a leftist approach to industrial restructuring is possible This study argues that in fact both governments's policies generally resembled those of other European governments in their emphasis on market adapting measures that eliminated thousands of jobs while providing income support for displaced workers Featuring extensive field work and interviews with over one hundred political labor and business leaders this study is the first systematic comparison of these important socialist governments *The West German Social Democrats, 1969-1982* Gerard Braunthal, 2019-06-26 The fall of the West German government in 1982 ended the 13 year rule of the Social Democratic Party SPD as the senior coalition partner under Chancellors Willy Brandt and Helmut Schmidt In perpetual opposition from 1949 to 1966 the Social Democrats finally entered the government as the junior coalition party in 1966 three years later they assumed primary responsibility for guiding the nation The central theme of this detailed examination of the SPD during its years of governance is that social and economic forces in the nation had a major effect often unsettling on the party at a time when it had achieved the pinnacle of political power Significant changes in the party's organization membership leadership factionalism ideology and voter support limited its role within the political system in the executive and legislative branches and its influence on domestic and foreign policies Yet its ability to remain in power for a comparatively long period attests to its strength and respectability among the voting public Dr Gerard Braunthal draws on a wealth of documentation some unpublished located primarily in German archives and libraries In addition he interviewed more than 120 persons ranging from the top SPD leaders to staff officials members and other specialists to gain a greater understanding of a party that is one of the most powerful in Western Europe and in the social democratic world and

whose organization has been a model of the twentieth century mass party Parties and Democracy in France David Bell, 2018-10-24 This title was first published in 2000 The Presidency has been the principal political focus of the French Fifth Republic and the new component of French democracy This book looks at how the Presidency has shaped political parties and party systems as well as how they have interacted with the new institution The Presidency has acted as a unifying force bringing together coalitions of parties to provide a political basis for presidential power but has also been a divisive factor Parties draw on longstanding traditions of French political life and the Presidency can provoke destructive rivalry as well as constructive coalition building Presented here is a discussion of the contemporary French party system its dynamics successes and failures Written in an accessible style it is intended for students of French studies and political parties as well as comparative politics **Paris and the Provinces** Peter Gourevitch, 2023-02-14 First published in 1980 Paris and the Provinces explores why reforms of central local relations in France have been so ineffectual Professor Gourevitch discovers the cause in party politics and personal rivalries The struggle for dominance among different parties Gaullists Communists Socialists Christian Democrats Independents and others and individuals De Gaulle Giscard Chirac Mitterand Marchais etc has influenced virtually every aspect of institutional reform from the creation of the regional administration and delineation of its powers to the delegation of specific responsibilities to cities and towns Conflict over the mechanisms that link local life to the national government is by no means limited to France This book closely examines comparable events in Italy and analyses the factors that differentiate the strength of ethnically based challenges to central authority in Britain Spain Belgium Yugoslavia and Canada from the relative weakness of such challenges in France Italy and Germany By evaluating the territorial distribution between the capital and the countryside as both an influence on and an object of policy Paris and the Provinces contributes significantly to understanding the connections between party politics and policy formation and will be of interest to students of political science government and public policy Ideology And Politics: The Socialist Party Of France George A. Coddington, 2019-04-10 This book explores the strengths and weaknesses of the French Socialist party its history ideology organization and constituency as well as the reasons the party has remained a viable force in the French political system for over seventy years **Historical Dictionary of France** Gino Raymond, 2008-10-23 From the construction of Notre Dame and the Eiffel Tower to the Fall of the Bastille and the Declaration of the Rights of Man and the Citizen to Napoleon Bonaparte's defeat at Waterloo to Albert Camus L'Etranger and the existentialism of Jean Paul Sartre France has been a part of some of the greatest and most memorable events in human history Author Gino Raymond relates the history of these events in the second edition of the Historical Dictionary of France Through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on kings politicians authors architects composers artists and philosophers a thorough history of France is presented Europe Since 1945 J. Robert Wegs, Robert Ladrech, 2017-09-16 As Europe has expanded its influence in world economic and political affairs there has been an increased

need to understand how Europe recovered from the devastation of World War II to become a major world player This concise history offers a comprehensive overview of Europe s political social economic and cultural developments since 1945 J Robert Wegs and Robert Ladrech balance a narrative of the major events and personalities of the post war political scene with a critical assessment of key issues and themes such as The development of the welfare state European integration and the European Union The Cold War The rise and fall of the Soviet Empire The political economic turmoil in eastern Europe since 1989 The place of Europe in the globalisation of the world s political economic affairs The text also features further reading sections at the end of each chapter to aid more detailed study and is enhanced throughout with tables maps and illustrations Written for students and general readers alike this thoroughly revised updated and expanded new edition is an ideal introduction for anyone with an interest in the history and politics of post war Europe east and west

Socialism in Provence, 1871-1914 Tony Judt, 2011 No detailed description available for Socialism in Provence 1871 1914

African Political Activism in Postcolonial France Gillian Glaes, 2018-07-11 African Political Activism in Postcolonial France engages with several areas of scholarly inquiry ranging from the study of immigrants to the investigation of surveillance and the legacy of colonialism Within migration studies many important analyses have focused on integration yielding critical contributions to our understanding of immigration and identity This work moves in a different direction Factoring in the dynamics of colonialism decolonization and their effect on immigrant political activism and state policy in the postcolonial Cold War era reveals that immigrants from francophone Sub Saharan Africa were key players who shaped the development of public policy toward immigrants Through this approach we can understand how republicanism colonial ideology immigration policy and immigrant political activism intersected in the post colonial era shaping the reception of African workers and affecting their lives and experiences in France

British Dogmatism and French Pragmatism Douglas E. Ashford, 2023-06-09 First published in 1982 British Dogmatism and French Pragmatism presents an inquiry into how national political and administrative constraints affect the formulation and implementation of local government reform This comparative study between British and French local politics and policymaking discusses themes like local reorganization in the welfare state two paths from monarchy to democracy decisions and non decisions can national politics make local policy fiscal policy and local spending capital spending and land use and central local politics in the welfare state The author argues that the influence of local government systems cannot be assessed apart from the national political and administrative structures in which they are embedded This book is a must read for scholars and researchers of political science public administration and policy making

French Communism, 1920-1972 Ronald Tiersky, 1974-08-22 The French Communist Party

Searching for the New France James F. Hollifield, 2013-12-16 The face of today s France does not resemble its forebear of a quarter century ago it is more like its European neighbors Searching for the New France provides an in depth historical account of the changes that have swept France over the past three decades and explores the political challenges

that confront the country today An array of distinguished international scholars examine changes in French politics society and the economy The compilation is both comprehensive and topical in its coverage and is unique in the broad based historical and interpretive nature of its essays The study will be invaluable to a wide range of scholars and students in the social sciences

One Hundred Years of Socialism Donald Sassoon,2010-07-30 On 14 July 1889 the centenary of the French Revolution socialist parties from all corners of Europe met in Paris On the same day in the same city the Exposition Universelle was launched to mark the achievements of capitalist production The two events symbolized the beginning of the epic struggle between socialism and capitalism in Europe In this comprehensive study of a century of socialism the author traces the fortunes of the political parties of the Left in Western Europe From the rise of the Bolsheviks to the fall of the Berlin wall from the Second International through two world wars to the Cold War and the birth of the welfare state from the working class militancy and student uprisings of the 1960s through the revival of feminism and the arrival of green politics to the reluctant embrace of market economics en route to the millennium Donald Sassoon charts the course of socialism across 14 countries He shows that throughout their history the fortunes of socialism and capitalism have been inextricably linked They have grown up side by side each one challenging and seeking to destroy yet nourishing and shaping the other

Comparative Theory and Political Experience Peter J. Katzenstein,Theodore J. Lowi,Sidney Tarrow,2019-06-30 Through his influential writings integrating the heritage of classical political theory with the perspective of modern comparative politics Mario Einaudi has demonstrated how the twentieth century political scientist can advance the eighteenth century philosopher s pursuit of institutions that ensure freedom and civic virtue Editors Katzenstein Lowi and Tarrow have brought together essays illuminating the creative tension in Einaudi s work between the theorist s belief in constitutions as the site for democracy and the realist s understanding of the frailty and contrariness of ordinary people Eight distinguished scholars here explore the themes that constitute the core of Einaudi s contribution the interdependence between Europe and America the role of the comparative method and the centrality of eighteenth century theory Taking individual writings by Einaudi as their starting point the chapters address a rich diversity of topics

The First European Elections Jane P. Sweeney,2019-07-11 The voice of the spirit of Europe is the European Commission s description of the Community s 434 member Parliament Four years after the European Parliament s historic first direct election by the citizens of nine countries that voice is barely audible and one must pause to wonder whether the spirit is equally weak The European Parliament is potentially one of the most interesting legislative bodies in the world because of the circumstances which created it its unique transnational composition and the power it may some day wield However the gap between the real and the possible is very large indeed

Communism in Italy and France Donald L.M. Blackmer,Sidney Tarrow,2015-03-08 The contributors to this volume address themselves to the growth behavior and prospects of the two largest Communist parties in Western Europe The book deals in particular with the adaptation of the French and Italian Communist parties to

the secular changes in their advanced societies It emphasizes the different attempts made by each party's leaders to participate actively and fruitfully in parliamentary political systems Originally published in 1976 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Government and Politics of France Andrew Knapp, Lecturer in French Studies Andrew Knapp, Vincent Wright, 2003-09-02 The Government and Politics of France 4th Edition continues to provide students with a comprehensive and incisive introduction to the intricacies of French politics and government Written by two leading authorities on the subject this widely used textbook has been fully revised and updated to take into account the many changes that have occurred since the last edition was published Coverage includes French political traditions constitution and the Fifth Republic the executive the Parliament parties and the party system the Administration interest groups local politics the impact of the EU

The French Democratic Left 1963 1969 Introduction

In the digital age, access to information has become easier than ever before. The ability to download The French Democratic Left 1963 1969 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The French Democratic Left 1963 1969 has opened up a world of possibilities. Downloading The French Democratic Left 1963 1969 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The French Democratic Left 1963 1969 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The French Democratic Left 1963 1969. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The French Democratic Left 1963 1969. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The French Democratic Left 1963 1969, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The French Democratic Left 1963 1969 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading

practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The French Democratic Left 1963 1969 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
