The Future Of Latino Independent Media A Nalip Sourcebook:

The Future of Latino Independent Media Chon A. Noriega, 2000 Cultural Studies Latino Latina Studies Despite the growth of the Latino community in the United States Latinos have entered the twenty first century with lower levels of media representation than when protests first raised the issue in the 1960s Latinos remain the most underrepresented of all minority groups in film and television This volume addresses this dire situation by collecting information from the landmark 1999 conference held by the National Association of Latino Independent Producers to renew the fight for media access Sponsored by concerned Latino groups the conference was the first national gathering on Latino independent media since the 1970s

Transnational Television and Latinx Diasporic Audiences Catherine L. Benamou, 2022-12-16 This book is based on a mixed method longitudinal study of the transmission production and reception of Spanish and Portuguese language television in four global cities with expanding Latinx diasporic populations The author tracks and analyzes the production practices of Spanish language broadcasters the highlights of news and cultural affairs coverage changes in the shooting locations and sociocultural discourses of telenovelas both imported from Latin America and domestically produced the presence of SLTV in the national political sphere and the modes of media access and opinions of over 400 viewers in Detroit Los Angeles Miami and Madrid The possibilities created by SLTV and PLTV for achieving a sense of enfranchisement are explored Intended for a general as well as academic reading audience

The Mass Media and Latino Politics Federico Subervi-Velez, 2009-03-04 The Latin American population has become a major force in American politics in recent years with expanding influences in local state and national elections The candidates in the 2004 campaign wooed Latino voters by speaking Spanish to Latino audiences and courting Latino groups and PACs Recognizing the rising influence of the Latino population in the United States Federico Subervi Velez has put together this edited volume examining various aspects of the Latino and media landscape including media coverage in English and Spanish language media campaigns and survey research

The Chicana/o Cultural Studies Forum Angie Chabram-Dernersesian, 2007-11-01 The Chicana o Cultural Studies Forum brings together a diverse group of scholars whose work spans the interdisciplinary fields of Chicana o studies and cultural studies Editor Angie Chabram Dernersesian provides an overview of current debates locating Chicana o cultural criticism at the intersections of these fields She then acts as moderator of a virtual roundtable of critics including Frances Aparicio Lisa Lowe George Lipsitz Wahneema Lubiano Renato Rosaldo Jos David Sald var and Sonia Sald var Hull This highly collaborative and deeply interdisciplinary project addresses the questions What is the relationship between Chicana o studies and cultural studies How do we do cultural studies from within Chicana o cultural studies How do Chicana o cultural studies formations hemispheric borderland and feminist intermingle The lively conversations documented here attest to the vitality and spirit of Chicana o cultural studies today and track the movements between disciplines that share an interest in the study of culture power relations identity and representation This book offers a unique resource for understanding not just the

development of Chicana o cultural studies but how new social movements and epistemologies travel and affiliate with progressive forms of social inquiry in the global era

Critical Latin American and Latino Studies Juan Poblete,2003 This book brings together some of the most prominent scholars working across the spectrum of Latin American and Latino studies to explore their changing intellectual undertaking in relation to global processes of change Critical Latin American and Latino Studies identifies the challenges and possibilities of more politically engaged and theoretically critical modes of scholarly practice One objective is to provide a brief critical history of the study of various Latin American cultures Latino Chicano Puerto Rican among others But these essays also serve to assess the roles of ethnic and area studies in light of changing scholarly trends from emphases on gender and sexuality to a focus on postcoloniality and globalization The result is an important contribution to current debates on the conditions of contemporary knowledge production Book jacket

Latin American Melodrama Darlene J. Sadlier,2010-10-01 Like their Hollywood counterparts Latin American film and TV melodramas have always been popular and highly profitable The first of its kind this anthology engages in a serious study of the aesthetics and cultural implications of Latin American melodramas Written by some of the major figures in Latin American film scholarship the studies range across seventy years of movies and television within a transnational context focusing specifically on the period known as the Golden Age of melodrama the impact of classic melodrama on later forms and more contemporary forms of melodrama An introductory essay examines current critical and theoretical debates on melodrama and places the essays within the context of Latin American film and media scholarship Contributors are Luisela Alvaray Mariana Baltar Catherine L Benamou Marvin D Lugo Paula F lix Didier Andr s Levinson Gilberto Perez Darlene J Sadlier Cid Vasconcelos and Ismail Xavier

Digital Diaspora Anna Everett,2009-02-05 2009 CHOICE Outstanding Academic Title Deftly interweaving history culture and critical theory Anna Everett traces the rise of black participation in cyberspace particularly during the early

years of the Internet She challenges the problematic historical view of black people as quintessential information age outsiders or poster children for the digital divide by uncovering their early technolust and repositioning them as eager technology adopters and consumers and thus as coconstituent elements in the information technology revolution She offers several case studies that include lessons learned from early adoption of the Internet by the Association of Nigerians Living Abroad and their Nijanet virtual community the grassroots organizing efforts that led to the phenomenally successful Million Woman March the migration of several historic black presses online and an interventionist critique of race in contemporary video games Ultimately Digital Diaspora shows how African Americans and African diasporic peoples developed the necessary technomastery to ride in the front of the bus on the information superhighway **The Oxford**

Handbook of Mobile Music Studies, Volume 1 Sumanth Gopinath, Jason Stanyek, 2014-03-21 The two volumes of The Oxford Handbook of Mobile Music Studies consolidate an area of scholarly inquiry that addresses how mechanical electrical and digital technologies and their corresponding economies of scale have rendered music and sound increasingly mobile portable fungible and ubiquitous At once a marketing term a common mode of everyday life performance and an instigator of experimental aesthetics mobile music opens up a space for studying the momentous transformations in the production distribution consumption and experience of music and sound that took place between the late nineteenth and the early twenty first centuries Taken together the two volumes cover a large swath of the world the US the UK Japan Brazil Germany Turkey Mexico France China Jamaica Iraq the Philippines India Sweden and a similarly broad array of the musical and nonmusical sounds suffusing the soundscapes of mobility Volume 1 provides an introduction to the study of mobile music through the examination of its devices markets and theories Conceptualizing a long history of mobile music extending from the late nineteenth century to the present the volume focuses on the conjunction of human mobility and forms of sound production and reproduction The volume s chapters investigate the MP3 copyright law and digital downloading music and cloud computing the iPod the transistor radio the automated call center sound and text messaging the mobile phone the militarization of iPod usage the cochlear implant the portable sound recorder listening practices of schoolchildren and teenagers the ringtone mobile music in the urban soundscape the boombox mobile music marketing in Mexico and Brazil music piracy in India and online radio in Japan and the US
