The Garden At Night Burnout And Breakdown In The Teaching Life

Rebecca Pope-Ruark

The Garden At Night Burnout And Breakdown In The Teaching Life:

The Garden at Night Mary Rose O'Reilley, 2005 Whether you're a beginning teacher trying to sustain your idealism or an experienced professional courting burnout take a deep breath and read this book **Unraveling Faculty Burnout** Rebecca Pope-Ruark, 2022-09-20 A timely book about assessing coping with and mitigating burnout in higher education Faculty often talk about how busy overwhelmed and stressed they are These qualities are seen as badges of honor in a capitalist culture that values productivity above all else But for many women in higher education exhaustion and stress go far deeper than end of the semester malaise Burnout a mental health syndrome caused by chronic workplace stress is endemic to higher education in a patriarchal productivity obsessed culture In this unique book for women in higher education Rebecca Pope-Ruark PhD draws from her own burnout experience as well as collected stories of faculty in various roles and career stages interviews with coaches and educational developers and extensive secondary research to address and mitigate burnout Pope-Ruark lays out four pillars of burnout resilience for faculty members purpose compassion connection and balance Each chapter contains relatable stories reflective opportunities and exercises and advice from women in higher education Blending memoir key research and reflection opportunities Pope-Ruark helps faculty not only address burnout personally but also use the tools in this book to eradicate the systemic conditions that cause it in the first place As burnout becomes more visible we can destigmatize it by acknowledging that women are not unraveling instead women in higher education are reckoning with the productivity cult embedded in our institutions recognizing how it shapes their understanding and approach to faculty work and learning how they can remedy it for themselves their peers and women faculty in the future Contributors Lee Skallerup Bessette Cynthia Ganote Emily O Gravett Hillary Hutchinson Tiffany D Johnson Bridget Lepore Jennifer Marlow Sharon Michler Marie Moeller Valerie Murrenus Pilmaier Catherine Ross Kristi Rudenga Katherine Segal Kryss Shane Jennifer Snodgrass Lindsay Steiner Kristi Verbeke *Landmark Essays on Writing Program Administration* Kelly Ritter, MELISSA IANETTA, 2024-11-01 Leading with the provocative observation that writing programs administration lacks an established set of texts that provides a baseline of shared knowledge in which to root our ongoing conversations and with which to welcome newcomers *Landmark Essays on Writing Program Administration* focuses on WPA identity to propose one such grouping of texts This Landmark volume is the cornerstone resource for new Writing Program Administrators and graduate students seeking an ever important overview of the literature on Writing Program Administration Drawing broadly across scholarship in writing programs and writing centers Ritter and Ianetta work to historicize theorize and problematize the ever shifting answers offered to the question Who or what is a WPA

Transforming Literacy: Changing Lives Through Reading and Writing Robert P. Waxler, Maureen P. Hall, 2011-05-11 The book is interdisciplinary in focus and centers on enlarging teachers understanding of how reading and writing can change lives and how the language arts can contribute significantly to and change educational processes in the twenty first century

Implicit in its argument is that although the emphasis on science and math is crucial to education in the digital age it remains vitally important to keep reading and writing language and story at the heart of the educational process This is particularly true in a democratic society because shaping stories through human language can enhance the quality of our lives and teach us something important about what it means to be human and vulnerable In this sense stories allow for self reflection and an increased opportunity to enhance and understand emotional intelligence and human community

Engaged Teaching in Theology and Religion Renee K. Harrison, Jennie S. Knight, 2015-10-21 This book guides scholars and teachers of theology and religion through a process of self reflection that leads to intentional transformative teaching dialogue and reform in theological education and religious studies **The Nurturing Teacher** Kjersti

VanSlyke-Briggs, 2010-02-16 The Nurturing Teacher tackles the concerns of stressed teachers Whether from nurturance suffering stress related to caring for students or from the piles of paperwork yet to be tackled this text helps the reader sort through the causes of stress the emotional physical and social reactions to stress and how one can begin to plan a stress management plan The book includes a historical overview of feminist education the perception of caring teachers in the media and a look at emotional labor and the impact on the teacher **Critical Expressivism** Tara Roeder, Roseanne

Gatto, 2015-04-15 Critical Expressivism is an ambitious attempt to re appropriate intellectual territory that has more often been charted by its detractors than by its proponents Indeed as Peter Elbow observes in his contribution to this volume As far as I can tell the term expressivist was coined and used only by people who wanted a word for people they disapproved of and wanted to discredit The editors and contributors to this collection invite readers to join them in a new conversation one informed by a belief that the term expressivism continues to have a vitally important function in our field **The Pen and**

the Bell Brenda Miller, Holly J. Hughes, 2012 *Teach & Thrive* Kristina Valtierra, 2016-07-01 Teacher burn out contributes to the epidemic of early career exit At least half of all new K 12 teachers leave the profession by the time they reach their fifth year of teaching Conversely there are urban teachers who survive burn out and thrive as career long educators This book results from an in depth qualitative study that explored one 40 year veteran teacher s career narrative analyzing how she not only survived the burn out epidemic but also thrived as a highly effective career long urban teacher Part 1 of this book uses a critical socio political lens is used to guide readers through the complexities of career thrival Framed within the story of one new urban teacher s typical morning the book begins with an overview of the socio political forces that lead to urban teacher burn out In spite of the obstacles the more hopeful idea of urban teacher thrival is uncovered through narrative methodology Part 2 is dedicated to the dynamic narrative of a veteran urban teacher career journey This inspiring story is related to frameworks established in Part 1 as well as painting a picture of how public education has evolved over the last 40 years and its impact on the lives of teachers Part 3 takes a deeper dive into three salient themes that permeated throughout the participant s story First hope springs eternal is the idea that sustaining hope supported the teacher s career

thrival Next the extended education family is the notion that familial like relationships at school nourished her longevity The third theme creative autonomy reveals that by being empowered with opportunities for curriculum development and instructional decision making the teacher maintained her passion This book concludes with recommendations for teachers educational leaders and teacher educators to develop and maintain thriving teachers **Exploring the Old Testament** Ernest C. Lucas,2016-08-01 Ernest C Lucas provides an informed illuminating and interactive introduction to the ancient background the literary artistry and the varied and timeless messages of the Psalms and Wisdom literature
