CARUS,2018 **The History of the Devil and the Idea of Evil** Paul Carus,2017-10-12

Excerpt from The History of the Devil and the Idea of Evil From the Earliest Times to the Present Day His world OF ours is a world of opposites There is light and shade there is heat and cold there is good and evil there is God and the Devil The dualistic conception of nature has been a necessary phase in the evolution of human thought We find the same views of good and evil spirits prevailing among all the peoples of the earth at the very beginning of that stage of their development which in the phraseology of Tylor is commonly called Animism But the principle of unity dominates the development of thought Man tries to unify his conceptions in a consistent and harmonious Monism Accordingly while the belief in good spirits tended towards the formation Of the doctrine of Monotheism the belief in evil spirits led naturally to the acceptance of a single supreme evil deity conceived as embodying all that is bad destructive and immoral About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The History of the Devil and the Idea of Evil** Paul Carus,2014-03 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book **A Field Guide to Demons, Fairies, Fallen Angels and Other Subversive Spirits** Carol K. Mack,Dinah Mack,1999-10-15 Originally published New York Arcade Pub Distributed by Little Brown and Company c1998

A Field Guide to Demons, Vampires, Fallen Angels and Other Subversive Spirits Carol K. Mack,Dinah Mack,2011-09-27 The field guide to some of the most horrific and fascinating creatures found in mythology and **The History of the Devil** Paul Carus,2021-08-03 The History of the Devil 1900 is a philosophical study by Paul Carus A lifelong Monist Carus sought to apply a scientific analysis to the principles of humanity's religions Credited with bridging the gap between Eastern and Western beliefs Carus believed that the dualism rampant in the West could be replaced in order to establish a more equitable

world where difference and diversity would be accepted and nurtured rather than suppressed This world of ours is a world of opposites There is light and shade there is heat and cold there is good and evil there is God and the Devil The dualistic conception of nature has been a necessary phase in the evolution in human thought Recognizing the need for dualism in the history of humanity Carus sought to promote the principles of Monism in the West believing it could lead to a universal worldview capable of uniting East and West A positivist and pantheist Carus believed that by pursuing in religion the same path that science travels the narrowness of sectarianism would develop into a broad cosmical religion which shall be as wide and truly catholic as is science itself To lay the groundwork for this cosmical religion he investigates the figure of the Devil and the historical evolution of the concept of evil which he saw as predating belief in goodness and God With a beautifully designed cover and professionally typeset manuscript this edition of Paul Carus The History of the Devil is a classic of philosophy reimagined for modern readers
