The Hope Of Christs Return Premillennial Commentary On 1 And 2 Thessalonians:

The Hope of Christ's Return: Premillennial Commentary on 1 & 2 Thessalonians Mal Couch, 2002-04 Dr Couch's commentary approaches the Thessalonians letters from a premillennial point of view but is adaptable for everyone. It is scholarly yet understandable, comprehensive but alive. He gives the key meanings of the Greek text, explaining each nuance of the language in a clear and concrete way. The reader will find a clear, compelling commentary, study questions at the end of each chapter, Bible study outlines for 1 and 2 Thessalonians, a glossary of theological terms, *The 1st Century Church Speaks to the 21st Century Church*. The church in Thessalonica was a congregation of new believers that was impacting their world for Jesus, but their awe-inspiring love for Christ came at a terrible price. They endured tremendous trials and tribulations to the point that many gave their lives for the gospel. Paul wrote 1 Thessalonians to further equip these young believers to live as beacons of light in an immoral city; he instructed them to go beyond their efforts in living for Christ and sought to clarify their understanding of the Rapture. After his first letter, rumors began to circulate throughout the church in Thessalonica that the Rapture had already taken place. Paul wrote 2 Thessalonians to dispel these rumors and to further encourage them to stand firm in Christ. This commentary speaks to the 21st-century Christian. With the persecution of believers on the rise, sexual immorality running rampant, and the abundance of End Time prophecies, Dr Couch's commentary will help the reader understand how to stand for Christ in a fallen world and find hope in Christ's return. [Evangelical Bible Doctrine](#) Dr. Keith Sherlin, 2015-12-10 Over twenty-one faithful evangelical Bible teachers have joined together in this work to both honor the legacy of Dr Mal Couch as well as to promote a solid, sacred and safe theological manual for the body of Christ. Colleagues and friends of Dr Couch such as Dr Wayne House, Dr Norman Geisler, Dr Arnold Fruchtenbaum, Dr Timothy Demy and more along with many of Mal's students and disciples set forth in this work a biblical and practical theology. The first half of the book covers all twelve of the major biblical doctrines of Christianity. The last half covers some of the hottest theological topics and practical issues that present-day believers ought to be aware of in order to properly defend the faith. In chapter 25 you will meet many of the disciples in Christ that Mal taught over the years as they express their gratitude for this godly giant of the faith. So if you are curious about what a holistic evangelical faith looks like and even curious as to how dispensationalism fits within orthodox evangelicalism, this book will provide for you a solid resource for many years to come. **Illustrated Bible Survey** Ed Hindson, Elmer L. The Gospel of the Christ Thomas Lewis Stegall,2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ s person and work in the contents of saving faith

Are We Living in the Last Days? Bryan Chapell,2024-02-06 Will Jesus s return be preceded by a single world government Will every person have a government issued ID or mark Does Christ return once or twice Will believers go through a Great Tribulation Will there be a literal battle of Armageddon Does it even matter what we believe about future events Biblical prophecies about the end times have confused confounded and even divided God s people for centuries But the reason Scripture gives us hints about the future is to provide the encouragement we need to endure the present confident that God keeps his promises In this balanced look at four major views of the end times bestselling author Bryan Chapell explains the primary ways Christians have interpreted biblical prophecy about the last days not so that we might pick a hill to die on but so that we can cling to what unites us in Christ No matter what end times view we find most compelling in God s plans we can find strength for today and hope for tomorrow

A Case for Historic Premillennialism Craig L. Blomberg,Sung Wook Chung,2009-02-01 Many evangelical readers who have learned the basics of eschatology from popular authors and more recently from novelists assume that dispensational premillennialism with its distinctive teachings about the pretribulation rapture of the church is the only reliable view of the end times and the return of Christ This volume however offers a compelling case for an alternative perspective one that was widely prevalent throughout church history The contributors all respected scholars in

their respective fields suggest that classic premillennialism offers believers a more coherent and viable approach to understanding eschatology. Their studies which examine eschatology from biblical, theological, historical and missiological approaches provide a broadly accessible argument for returning to the perspectives of historic premillennial eschatology.

Elenchus of Biblica Maria J. Schoenmaeckers, Robert Althann, 2004-12-20 Le 23 novembre 1964 jour de la promulgation de Lumen Gentium la constitution dogmatique sur l'Eglise marque un événement c'est la première fois dans l'histoire de l'Eglise qu'une assemblée de la Sainte Eglise s'exprime solennellement sur la vie consacrée. Le sixième chapitre de la constitution traite de la signification et de l'essence de la vie religieuse la reliant au mystère de l'Eglise, peuple de Dieu. Ce texte conciliaire présente la vie religieuse comme un état canonique celui du chrétien qui tend dans un institut de perfection à la charité parfaite et consacre sa vie à Dieu et aux hommes par la profession des conseils évangéliques de chasteté, pauvreté et obéissance. De toute évidence cette déclaration doctrinale est importante pour l'Eglise et pour le développement de la vie consacrée dans l'Eglise. En lisant Lumen Gentium on est assez vite frappé par le début abrupt du sixième chapitre sur les religieux car tous les autres chapitres s'ouvrent par une brève introduction. Cependant on ne peut détacher ce chapitre de ce qui a été dit précédemment sur la vocation universelle à la sainteté. En fait l'histoire du texte fait clairement ressortir le lien qui unit ces chapitres.

The Personal and Pre-millennial Coming of Our Lord and Saviour Jesus Christ ,1888

1 & 2 Thessalonians Molly T. Marshall, 2022-08-30 The Thessalonian correspondence represents the earliest writing in the New Testament according to many scholars. It speaks to a group of Christians struggling with thorny questions such as: How should we live in the shadow of the coming parousia? What are our obligations to one another as followers of Jesus? How do we learn to trust the truth of the gospel? For Paul, this earliest correspondence was a test of his apostolic authority and also a means to express his genuine warmth and affection for the Christian community at Thessalonica. In spite of their relative brevity, the letters to the Thessalonians wrestle with ideas and obligations that remain relevant today. The volumes in the Belief series offer a fresh and invigorating approach to all the books of the Bible. Building on a wide range of sources from biblical studies and the Christian tradition, renowned scholars focus less on traditional historical and literary angles in favor of a theologically focused commentary that considers the contemporary relevance of the text. Why then and why now are overarching questions asked throughout the volumes in the series?
