A Study Guide for John Barth's "Lost in the Funhouse" Gale, Cengage Learning, **The Funhouse** Fernando Alegria,1986-06-30 The Funhouse is a surrealistic vision of American society and politics during the era of the Vietnam War The protagonist recently emigrated from Latin America to the United States experiences the Vietnam tainted culture through the warped lens of an amusement park funhouse Relationships are subjected to the Chamber of Horrors which perverts love sex and family into random acts of corruption violence and inhumanity All who seek love and companionship must pass through the Hall of Mirrors which reveals the truth about the often distorted and obscured self image Alegria captures the spirit and ideology of the sixties and reignites its guiding light of salvation uncompromising all embracing love **Lost in the Funhouse** Bill Zehme,2009-11-04 From renowned journalist Bill Zehme author of the New York Times bestselling The Way You Wear Your Hat Frank Sinatra and the Lost Art of Living comes the first full fledged biography and the only complete story of the late
