Luscious Latino American Recipes Allie Allen, 2020-09-09 What types of foods are enjoyed by Latino Americans Can you make their recipes yourself Do you think your family will enjoy Hispanic American dishes There are a few types of cuisine as interesting and tasty as Latino American dishes made in the home Many Latino and Latina chefs and cooks prepare dishes by taste rather than measurements so it s difficult to find authentic foods that are also easy to make at home Indeed this cookbook is the perfect starting point for learning how to make wonderful Hispanic American dishes yourself I have certainly rounded up some of the easiest yet tastiest Latino recipes in one book They will help to get you started making meals that will remind you of special dishes in Latin America I ll demystify the methods for making the food that Latin American mothers and grandmothers have made for many years and which have been brought to the United States by immigrants It s an interesting way to taste the real flavors of Latin America and eat healthier meals than you would if you were literally eating out You ll save money too since it is usually cheaper to eat at home than it is to eat out Read on and try some of these Latino American dishes soon **The Latin American Cookbook** Virgilio Martínez (Chef), Nicholas Gill, Mater Iniciativa, 2021
