on or do something about it Gnawing in the middle of the night where many a bear rambles and ambles by even leaving a mark or two way up on the lodge s long legs holding up the large deck overlooking the lovely lake takes on a different sound A sound that when you wake up to well into the wilderness makes you wonder why you talk to yourself asking and answering questions What the hell is that Is it in the cabin No Is it just outside the cabin I don t think so but it s so hard to tell the way sound carry s out here Maybe I ll check Maybe I ll just pull the bedcovers up more and hope it goes away Then you hear it again and again as if whatever is making the noise has no care or concern that first you re sleeping second you would like to go back to sleep and third you don t want to be woken up again But the sound doesn t stop I can t sleep now what the hell is that what makes that kind of sound Nothing s trying to get in through the window Nothing on the raft like deck I ll have to step outside and take a look He looks at the thirty aught six still sheathed in its scabbard by the door before stepping outside Tim s memories of The Yukon bring him back to his past and pave the way to his future *Real-World Fitness* Kathy
