The Foretelling Of The Future:

Foretelling the Future T. Wynne Griffon, 1993-07 **Biblical Studies on the Prophecies of the Rapture and Revelation** Larry Phillip Russell, 2017-11-16

Biblical Studies on the Prophecies of the Rapture and Revelation is an introduction to and exploration of the Bible's teachings on the Second Advent of Jesus Christ. It distinguishes the Rapture from the Revelation. It affirms the Premillennial Pre-tribulation Rapture and Dispensational views. Explored are various theological positions of the Return of Christ, Biblical history, Church history, and insights from key Scripture passages. Russell writes for inquiring lay clergy and seminarians. This work provides edification, inspiration, a wealth of Biblical knowledge, working together strands of history, theology, Biblical studies, statistics, and even humor. The book addresses the Unconditional Covenant God made with Israel, kindly refutes Replacement theology, the Amil and Postmil views, defines Daniel's 70th Week, considers the future Tribulation Millennium, reminds of God's Sovereignty and Providence, warns of sensationalism, date setting, presents signs of the times, and touches on Apostasy. The book is a comprehensive eschatological work with significant amounts of doctrine, Biblical history, the history of Christianity, and interrelated eschatological considerations. It also admonishes practical Christian living and encourages seeking paths of holy living. If you desire to understand the distinctions between the Rapture and the Revelation, seek a challenging and rewarding journey of study, and if you would find your faith strengthened and your understanding increased, this book will be a helpful guide to your exploration.

Is the Future Set in Stone? Troy J. Edwards, 2019-05-15. God knows all things and there is nothing that is hidden from Him. Therefore, if the future is already in existence and is a settled reality, then there is no doubt that God knows it exhaustively. Yet what if the future does not exist as the past did and the present currently does? Is it necessary for an omniscient God to have exhaustive knowledge of a non-existent entity? In his book *Is the Future Set in Stone*, Pastor Troy J. Edwards presents a thorough examination of the Scriptures, revealing the fact that the future is NOT in existence until it happens. This truth is important to understanding why God is by no means responsible for the fall of man and the horrendous evil on the earth. You will also see how God works with His free will creatures to shape the future and bring it about.

The Power of Prophetic Prayer Kynan Bridges, 2015-01-26. Prayer releases the atmosphere of heaven into the earth. If prayer can alter the course of history and reshape the world, then why don't believers pray more? Prophetic prayer is so much deeper than a religious exercise; it is actually the supernatural catalyst that enables us to experience the power and presence of God in every area of our lives. If believers only knew the power of prophetic prayer, they wouldn't struggle to bend the knee. Through biblical study and practical questions, *The Power of Prophetic Prayer* will take readers on a spiritual discovery of the unique words, convictions, and declarations God is longing to hear from each one of His followers. We are not victims; God hasn't called us to sit back and watch life happen. Instead, He has called us to partner with the Holy Spirit in prophetic prayer.
