Psychoanalytic Perspectives on Passion Brent Willock,Rebecca Coleman Curtis,Lori C. Bohm,2017-12-14 Passion The word brims with and exudes power movement intensity vitality desire and fulfillment Its multifaceted meanings include eroticism rage sex suffering drive commitment dedication and love On the one hand it embodies a quality to be embraced and lived fully to make life meaningful and worthwhile On the other it is sometimes to be treated with suspicion reined in subjected to the dictates of reason While it brightens existence and its departure makes life dull many passions may prove unbearable The manifold connotations of passion make it highly relevant to psychoanalysis yet so far no book has explored

the many facets of this pervasive theme This book provides a comprehensive guide that will sensitize readers to the omnipresent importance of passionate emotion in the clinical setting and throughout all areas and times of life It bursts with thought provoking ideas Challenging cases are illuminated by penetrating reflections and novel applications and combinations of theoretical perspectives Psychoanalytic Perspectives on Passion explores the many ways in which very strong emotions passions can be understood and worked with in clinical contexts The contributions cover such key topics as psychosis and violence emotions in childhood sexuality secure and insecure attachments the role of passion in seeking meaning passion and transition space and transference and countertransference This book will be of great help to all psychoanalysts and psychoanalytic psychotherapists struggling to assist patients and perhaps themselves in locating their passions channeling and expressing them in meaningful ways and overcoming obstacles to their fulfillment A Governess's Guide to Passion and Peril Manda Collins,2024-03-26 Two friends reunite and discover hidden feelings while investigating a murder in this sensual witty historical romance perfect for fans of Evie Dunmore and Netflix s Bridgerton Jane Halliwell once dreamed of a home of her own but those dreams and her dowry died with her father Now she works as a governess preparing her charge for a future no longer within her reach When her employer is murdered during a house party however Jane is forced back into the world of the ton But stepping in as hostess will require working with the same lord who once broke her girlish heart Lord Adrian Fielding was too consumed with his job at the Foreign Office to pay young Jane much heed but he always considered her a friend Which is why he s confounded by her icy demeanor now More troubling still is his desire to melt the tensions between them But his mentor s murder means he must first find the culprit and ensure Jane s safety as she manages a house full of foreign dignitaries Only Jane insists on joining the investigation and Adrian despite all his diplomatic skills finds himself seduced by her sharp wit and sparkling eyes But with a vicious killer circling ever closer will it soon be too late for their chance at forever The Passion Principles Shannon Ethridge,2014-01-14 Move beyond the mechanics of sex to a rich and rewarding connection God s desire is for couples to enjoy vibrant sexual relationships without inhibition awkwardness fear resentment guilt or shame With honesty and frankness life coach and best selling author Shannon Ethridge opens the minds of both husbands and wives to embrace a lifestyle of passion and pleasure Divided into four sections The Passion Principles helps couples celebrate the spiritual mental emotional and physical dimensions of sexuality Questions include What was God thinking when He created sex Why do humans think about sex so much Will there be sex in heaven How did we get such different ideas about sex and love How can I get past his or her sexual past How can I help my spouse heal from the sexual abuses he or she suffered What if my heart is telling me I married the wrong person How can we balance mismatched sex drives Some chapters end with questions for personal contemplation or for couples to use as conversation starters and other chapters end with prayers that foster a deeper spiritual and emotional connection making this book a perfect guide to a more passionate love life *Passion for the Soul* Darius Wallace,2012-12-17 Passion for the

Soul is a collection of poems written over a period of several years and expressing the emotional ups and downs of author Darius Wallaces life He began writing poetry as a way to cope with the heartache and pain of his life His grandmother whom he lovingly calls mah provided him with a soft gentle and loving side which is revealed in his writings His inspiring poetry reveals his true passion for every soul as he conveys his love for mankind He explores sadness and pain as uttered in Confused as well as expresses a hope for love in Beauty of a Princess all while displaying true raw emotions in his verses I Lied Through my window older kids were playing football And Momma told me not to go outside But I was young and didnt see the danger They roughed me up so much I cried I sneaked backed in with bruises and a broken arm And when Momma asked me how I did it I lied She said son I know you want to be a hero But your life means so much more to Me than your pride And when youre grown and gone youre going to face the devil I hope you learn sometimes youve got to step aside I hugged my Momma and said I would never leave Her She looked and smiled because She knew I lied Of Time, Passion, and Knowledge Julius Thomas Fraser,1990-04 Only a wayfarer born under unruly stars would attempt to put into practice in our epoch of proliferating knowledge the Heraclitean dictum that men who love wisdom must be inquirers into very many things indeed Thus begins this remarkable interdisciplinary study of time by a master of the subject And while developing a theory of time as conflict J T Fraser does offer many things indeed an enormous range of ideas about matter life death evolution and value *Feeling in the Dark* Victoria RenéE Manley,2012-05 Torianey Heckstall s personal philosophy says it all Feeling in the dark is a metaphor for how she feels when she makes the most of the decisions in her life Life is a random cascade of experiences and opportunities or so she thought On a whim she decides to upgrade a ight she s taking to rst class never daring to imagine that this one seemingly random decision would change her life in ways she could only once dream of Sitting next to her is the man who will change her life Que Shaune Guadau II is the owner of a billion dollar oil corporation founded by his father But even he knows that money can t buy him everything he craves and he s too distracted to realize that the beautiful stranger next to him in rst class could change his life too Shaune and Tory made a deal with each other that will change both their lives forever Tory was never a woman to go back on her own rules even so Shaune s relentlessness would soon make her question her unshakeable moral core And he will do whatever it takes to convince her that he is the man for her Neither is able to abandon the sexy irtly cat and mouse games and this creates a problem for Shaune s best friend Marcus Swain Jealous and vindictive Marcus controls a game of his own in which the two become unwitting players Soon he engineers a tumultuous rift between them Now it s a race to see which game is the more powerful seduction or sabotage
