The Forgotten Scribes:

The Forgotten Scribes Anthony W. Downen, 2004-03-31 In a world that is held together by the taut fabric of the hierarchy it imposes the reach of its influence can touch the brink of war Ten thousand years after World War III the history of humanity has come nearly to a full circle on Balimyst amidst every imaginable fantasy creature that was once left to dreams Religion is left to lesser gods and enchanter's for praise and amazement prayers said only in defense of the all controlling Senate Immortality is the fairy tale of horrific monsters at sea But for the vampires the unveiling of the only surviving copy of the Holy Bible holds a greater revelation than what was meant Follow the journey of Aramis Faro a common man who travels upon both sides of the coin finding his way between the light and the dark while dodging not only the powers that be but the prophecies that shall

The Lost Archive Marina Rustow, 2020-01-14 A compelling look at the Fatimid caliphate's robust culture of documentation The lost archive of the Fatimid caliphate 909-1171 survived in an unexpected place the storage room or geniza of a synagogue in Cairo recycled as scrap paper and deposited there by medieval Jews Marina Rustow tells the story of this extraordinary find inviting us to reconsider the longstanding but mistaken consensus that before 1500 the dynasties of the Islamic Middle East produced few documents and preserved even fewer Beginning with government documents before the Fatimids and paper's westward spread across Asia Rustow reveals a millennial tradition of state record keeping whose very continuities suggest the strength of Middle Eastern institutions not their weakness Tracing the complex routes by which Arabic documents made their way from Fatimid palace officials to Jewish scribes the book provides a rare window onto a robust culture of documentation and archiving not only comparable to that of medieval Europe but in many cases surpassing it Above all Rustow argues that the problem of archives in the medieval Middle East lies not with the region's administrative culture but with our failure to understand preindustrial documentary ecology Illustrated with stunning examples from the Cairo Geniza this compelling book advances our understanding of documents as physical artifacts showing how the records of the Fatimid caliphate once recovered deciphered and studied can help change our thinking about the medieval Islamic world and about premodern polities more broadly

Beyond Hatti Billie Jean Collins, Piotr Michalowski, 2014-06-23 This collection of essays honors the life and work of Gary Beckman Professor of Hittite and Mesopotamian Studies at the University of Michigan The essays were contributed by his colleagues students and friends and their breadth traversing ancient Anatolia Syria Mesopotamia and beyond are a measure of the range of his influence as a scholar His interest in the reception and adaptation of Syro Mesopotamian culture by the Hittites in particular inspired this offering

The Lost and Forgotten Gospel of the Kingdom, Second Edition Steven Service, 2015-12-31 Most traditions within Christianity would agree that the gospel is the story of the life death burial and resurrection of Jesus Problematically this common contemporary definition does not fit logically with the biblical texts that reference the term Consider Mark 1:14 Galatians 3:8 Hebrews 3:16 4:2 Luke 3:18 9:6 If Jesus did not speak overtly regarding His intent to die sacrificially until the

very end of His earthly ministry what gospel did He preach at the start of His ministry What gospel first came to Abraham and was also preached in the days of Moses What gospel was known by John the Baptist before he baptized Jesus What gospel was preached by Jesus disciples prior to knowing that their Rabbi would go to the cross This study not only elucidates the factors that contributed to the loss of the biblical definition of the term gospel but also restores its meaning and offers a first century perspective of Hebraic Spirituality **The Lost Gospel** Herbert Krosney, 2006 The gripping story of the Gospel of Judas Iscariot and the Herculean efforts to conserve it and parse its meaning for future generations **The Forgotten Villains' Redemption Club: Breaking the Chains of Legend** Catherine Rivera, **The Forgotten Sage** Maurice D. Harris, 2019-05-30 Just after the Roman destruction of Jerusalem in 70 C E there lived a poor and ugly nail maker who was also for a time the leading rabbi of his generation His name was Joshua ben Hananiah and he helped give us the Judaism we know the complicated word filled tradition of debates multiple viewpoints and endless questions Through his humanity humility and occasional audacity Joshua helped set Judaism on its course towards becoming the decentralized multi opinionated exile surviving other religion respecting pragmatic yet altruistic wounded yet hopeful religion that it is at its best And yet inside and outside the Jewish community few people know about him This book wants to change that In these pages people of all faiths or backgrounds will find accessible and vivid translations of some of the most stunning stories in the Talmud and in Midrash Rabbi Maurice Harris is a friendly guide through the texts and dramas of early rabbinic Judaism providing general audiences with clear and compelling explanations of complex narratives legal issues and historical contexts Venture inside this book and discover Rabbi Joshua ben Hananiah one of the bravest and humblest heroes you ll ever meet in sacred literature **The Obsidian Staff (the Lost Legacy Series Book 1)** Jaz Azari, 2020-02-06 The Obsidian Staff Back cover description In the Kingdom of Harkimer a wizard has emerged with a weapon of unrivaled power the obsidian staff With it he seeks to end the dark wizards exile to the Southern Mountains almost eight centuries prior But a prophecy haunts him A girl with unusual gifts will appear and will prove either his greatest enemy or ally in his quest to conquer the land of Ilian The only problem The girl has disappeared She has no memories of her past her identity or the prophecy As her friends and foes race to find her the girl must quickly remember who she is and uncover her destiny to determine the fate of her forgotten home Jaz Azari is a young adult fantasy fiction author currently working on the second novel in The Lost Legacy Series The First Conquest She is also the author of the stand alone novel The Noble Rogues Learn more at www.thelostlegacyseries.com Keywords Fantasy Young Adult Magic Philosophy Adventure Action Wizard Legend Chronicles Psychology **The Last Ember of Dusk** Stephen McNeill, In the kingdom of Aeloria the sun is dying Once golden skies now burn with a fading crimson and whispers spread that when the last ember of dusk flickers out darkness will reign forever Kaelen a reluctant scribe with a gift he barely understands stumbles upon an ancient prophecy hidden in the ruins of a forgotten library It speaks of a single ember an elemental flame born of both light and shadow that could either rekindle

the sun or extinguish it entirely Drawn into a perilous journey with a fugitive warrior a healer bound by secrets and a thief who trusts no one Kaelen must decide whether to embrace his role in the prophecy or let the world collapse into eternal night But as betrayal lurks closer than friendship and the lines between myth and truth blur one truth becomes clear the last ember is not just the world's salvation it is its greatest temptation The Last Ember of Dusk is a sweeping fantasy of sacrifice destiny and the fragile spark of hope in a world on the edge of shadow Ancient Egyptian Scribes Niv Allon, Hana Navratilova, 2017-05-18 The modern view of the ancient Egyptian world is often through the lens of a scribe the trained schooled literate individual who was present at many levels of Egyptian society from a local accountant to the highest echelons of society And yet despite the wealth of information the scribes left us we know relatively little about what underpinned their world about their mentality and about their everyday life Tracing ten key biographies Ancient Egyptian Scribes examines how these figures kept both the administrative life and cultural memory of Egypt running These are the Egyptians who ran the state and formed the supposedly meritocratic system of local administration and government Case studies look at accountants draughtsmen scribes with military and dynastic roles the authors of graffiti and literati who interacted in different ways with Pharaohs and other leaders Assuming no previous knowledge of ancient Egypt the various roles and identities of the scribes are presented in a concise and accessible way offering structured information on their cultural identity and self presentation and providing readers with an insight into the making of Egyptian written culture
